I do not see how this plan helps anyone living or trying to drive through the VILLAGE

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

Please leave our small village, to remain that, we NEED the Green Belt, why do wish to destroy it. Using the Green Belt means the whole destruction FOREVER!!

3. Do you agree with the proposals for development around Harlow?

Strongly disagree

Please explain your choice in Question 3:

The clue is in the name: GREEN BELT, would it not be better to use land directly in Harlow as they have the infrastructure, not a small village with half a dozen shops and small country lanes

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Strongly disagree

Please explain your choice in Question 7:

NO, I feel as though small villages get ignored and go to the bottom of the list of priorities, so why make life more difficult for the residents. Apparently the ARUP assessment is showing that we do not have congestion on our small village roads, well I don't know when they made their assessment, but, sometimes the traffic backs up to Broxbourne and up to our house, 3/4 of a mile from the traffic lights!!!

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

Use Brown sites NOT (supposedly) protected GREEN BELT, HOW CAN YOU WISH TO DESTROY THE WHOLE PREMISE OF LIVING IN THE COUNTRY?

9. Do you wish to comment on any other policies in the Draft Local Plan?

PLEASE, renew efforts to use brown sites, TRULY, can anyone want to destroy our countryside, we moved here 35 years ago to get away from the pollution/noise of town living, a very sad future for England's green and pleasant land? ?
