Part B – Your representation on the Main Modifications and/or supporting documents

If you wish to make more than one representation, please complete a separate Part B form for each representation

4. Which **Main Modification number and/or supporting document** does your representation relate to? (Each Main Modification within the Schedule has a reference number. This can be found in the first column i.e. MM1, MM2 and each Supporting Document has a reference number beginning with ED).

Any representation on a supporting document should clearly state (in question 6) which paragraphs of the document it relates to and, as far as possible, your comments should be linked to specific Main Modifications. You should avoid lengthy comments on the supporting documents themselves.

You will need to say why this change will make the Submission Version of the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

See attached detailed report

Please note *your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation at publication stage.*
After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.
