REPRESENTATION

To which part of the Pre Submission Epping Forest District Local Plan does this representation relate?

Paragraph:

Policy: None of the above

Policies Map:

Site Reference: LOU.R5

Settlement: Loughton

Do you consider this part of the Pre Submission Local Plan to be:

Legally compliant: Don't Know

Sound: No

If no, then which of the soundness test(s) does it fail? Justified

Complies with the duty to co-operate? No

Please give details either of why you consider the Submission Version of the Local Plan is not legally compliant, is unsound or fails to comply with the duty to co-operate; or of why the Submission Version of the Local Plan is legally compliant, is sound or complies with the duty to co-operate. Please be as precise as possible. Please use this box to set out your comments.

No one seems to be listening to the people, Jessel green is used every day of the year by every day people and is very important to everyones' well being. Why have other sites (ie Theydon bois) been overlooked???

Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/ Effective/ Consistent with National Policy) where this relates to soundness. You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Other sites need to be re-looked at and put back on the table. As I don't believe a good enough reason has been laid out as to why they have been taken off and not Jessel green

If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
