### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

No way could our community have these homes built here our schools r at maximum classroom sizes plus the juniors will go from 7 class to 8 in the sept of 2017 our doctors surgery r full. Are more schools to be built and doctors NO I work with in the children's centre at limes farm and we have already seen an increase of family's with children and would have to start to turn family's away if 230 new homes were to built as 1 of the 3 mail children centres is due to close. Limes farm green area is vital to the residents and more so the children who don't have gardens in the summer that field thrives with children playing. I'm the chair of the PTA at limes school and hold out door events on the green areas and hoping for the next few summers to expand our community life here on limes at present limes farm is a plaesant place to live. We have had our fair share of crime and this will only up our crime status we have actually the lowest crime level on this estate and want to keep it that way.....
