Letter or Email Response:

I have heard about the plans to build on Loughton's green spaces and I must object strongly. I live near the nature reserve- will this be next? Our local schools are full, I commute into London- I cannot get a seat on the train- our doctors are full to capacity, our roads are jammed. Why would we bring hundreds more people to the area? I have lived in Loughton all my life and now have children here. We value the green spaces, the wildlife and all that comes with it. Please don't ruin this area for future generations by making Loughton a concrete jungle.
