Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane,
North Weald Bassett, Epping, CM16 6AR

It appears the development team have really taken everything into consideration with this plan. I was not expecting them to have looked at improving local bus services as part of the development, I must be honest and say I was just expecting houses. However, upgrading the bus service is important to accommodate the development and the many residents it will bring as they may have to travel to and from the station or schools outside of the development itself. I must say I am impressed and would like to see this site be developed.

Yours faithfully,
