Part B

REPRESENTATION

To which part of the Pre Submission Epping Forest District Local Plan does this representation relate?

Paragraph:
Policy: None of the above
Policies Map:
Site Reference: None of the above
Settlement:

Do you consider this part of the Pre Submission Local Plan to be:

Legally compliant: Don't Know
Sound: No
If no, then which of the soundness test(s) does it fail? Justified
Complies with the duty to co-operate? Don't Know

Please give details either of why you consider the Submission Version of the Local Plan is not legally compliant, is unsound or fails to comply with the duty to co-operate; or of why the Submission Version of the Local Plan is legally compliant, is sound or complies with the duty to co-operate. Please be as precise as possible. Please use this box to set out your comments.

This is just bureaucracy and is too complicated for a normal person to make their views known.

Well done on creating a plan that will destroy Epping.

This is the worst thing I have read.

We should just build the houses on green belt land, and then create community assets near them.

Don't shut the community assets we currently have in order to build a paltry few houses on some car parks and the library.

I use the library every single week, I'm 31.

I moved to Epping to own my first and preferably last house and start a family. If this plan goes ahead I will have to move as I don't want to live in the Epping of the future. None of the problems raised in the consultation have been addressed by this plan.

Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/ Consistent with National Policy) where this relates to soundness.

You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

This is another example of how you don't want opinions from the general public, it's too bureaucratic.

If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No, I do not wish to participate at oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Please let us know if you wish to be notified when the Epping Forest District Local Plan is submitted for independent examination

Yes
