Theydon Bois (Draft Policy P 8)

No

Please provide reasons for your view on Theydon Bois:

The site at coppice farm is a better choice for many reasons: It would not be stretching the village boundary in a way that ruins the character of Theydon Bois as the forest is the obvious boundary and coppice farm is an infill site, many of the houses lower down the road and in piercing hill back onto the forest so this is in keeping with the character of the village. It would involve the least disruption to everyone living in Theydon Bois during and after the build is completed. Coppice farm is the only site with rotting concrete buildings on it

that are falling down, it is more brown field than green. Coppice farm is the only choice for the new houses in Theydon Bois
