### Letter or Email Response:

The Society STRONGLY OBJECTS to the total omission in Draft Policy DM7 of the recommendation by the Heritage Asset Review to create Areas of Townscape Merit to preserve the ambiance of unspoiled streets and groups of streets which fall short of the requirements for conservation area designation. Paragraph D1 should apply to any heritage asset, or to conservation areas/areas of townscape merit Paragraph F. This should include a commitment to review local listings on a regular basis, and to adopt a mechanism for adding buildings to the Local List as new evidence becomes available
