2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Agree

Please explain your choice in Question 2:

Would prefer to see Green Belt totally protected

3. Do you agree with the proposals for development around Harlow?

Agree

Please explain your choice in Question 3:

Worried about the transport provision. Would love to see visionary exciting town planning harking back to the aims and ambitions of the original Harlow town plans. Harlow needs a social and economic revitalisation - a cultural and economic injection - Huge current social deprivation - and young people with no aspiration. I hope what is planned can add to a turn around rather than add to this situation.
