### Letter or Email Response:

I would like to place my objection to using the vital green space on Limes Farm to make way for housing. This area has many social issues and to take this valuable land is a disgrace. This area is already overcrowded and with the soon to be opened Kelvin Hughes development the infrastructure is already straining under the weight. Schools, Doctors and hospital will be under increased pressure. Why has the council failed to recognise the available ground at Chigwell Row? Is it because the residents there are more affluent than those living on Limes Farm? I urge you to reconsider this proposed plan as I feel you will turn this already troubled estate into a ghetto.
