7. Do you agree with the approach to infrastructure provision being proposed in the plan?

### Disagree

Please explain your choice in Question 7:

Are there any concrete plans to improve infrastructure for cyclists within and around Loughton (and the rest of EFDC) and to offer cycling friendly routes/options/ bike paths etc There is no mention of this in the local plan. E.g. cycling to the new postal Debden Delivery office in Lenthall Road has become a hazardous journey with the new urban development, Epping Forest shopping centre and road widening works. I would welcome a bike path or a cycling friendly route to reach this area.
