This document has been created using information from the Council's database of responses to the Draft Local Plan Consultation 2016. Some elements of the full response such as formatting and images may not appear accurately. Should you wish to review the original response, please contact the Planning Policy team: ldfconsult@eppingforestdc.gov.uk

Letter or Email Response:

Dear sirs I strongly object to the plans to build further housing on loughtons green spaces & the absurd idea of houses on Loughton station car park with a underground car parking space for these reasons . 1. Infrastructure wouldn't be able to cope 2. As a woman there is no way I would use a underground car park they are too dangerous 3. The traffic from sainsburys , Roding Valley School & people using the st ation is already at bursting point . 4 . Hospitals would not be able to cope having recently been to Whipps Cross where my 92 yr old mother was kept in a ambulance for 5 hrs at night as 15 ambulances were queuing to be seen . Having spoke about elderly care on the BBC radio in the Epping forest area this overcrowding of a small town would be the last straw & I would be taking this up with my MP
