Please provide reasons for your view on Epping:

Loughton (Draft Policy P 2)

No

Please provide reasons for your view on Loughton:

The proposals will make Loughton an over developed town. It is already congested with too much traffic and not enough parking spaces. Any development which results in loss of local amenities and space should not be considered. Local shops will suffer hugely if parking amenities are reduced.

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Disagree

Please explain your choice in Question 7:

It's too over-developed so the infrastructure is irrelevant. More housing means more people, more cars, congestion, less space.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

9. Do you wish to comment on any other policies in the Draft Local Plan?

My comments are as above. Proposals to Loughton will spoil a very pleasant place to live.
