Letter or Email Response:

Dear sirs I strongly object to the building of 1580 homes in the village of north Weald this village cannot cope with the amount of people in it now .how on earth can it cope with 1580 new homes . = 3160 minimum .people . Will we get more .surgeries . police .new roads .shops .I don't think these houses will be affordable for local people in short I strongly object to this project and I feel that if immigration was curbed to this country we would not have to build on our very pleasant fields and farmland.
