### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

It will be detrimental to the area if planned housing is to be built on the playing fields notably: SR-0358 SR-0361 and the library and The Box centre SR-0565. These spaces are invaluable to the area and provide open spaces where children can play safely and the The Box centre has a brilliant service to local children and teenagers where they can go to learn how to run a radio station giving inspiration and skills that can see them blossom into a career. These places and spaces are not just for now but also for the future. If new houses have to be built then these highlighted areas will be more and more necessary giving the area much needed breathing room.
