Subject: SR 0242 Oak Hill Road Stapleford Abbots Essex-- STAP.R1/Land at Oakfield Road

Dear Sir/Madam

Please see attached representation form for submission.

I have copied in our local member of parliament in order to bring to attention the way EFDC have approached the subject, misinformation and plan numbers and fundamental essential details being changed.

I have also copied in the local bat group for awareness to the potential elimination of our wildlife and lovely village.

I look forward to hearing from you

Kind regards

Director
