### Letter or Email Response:

When my wife and I first came here it was a lovely estate. We came here in 1966, ....Redacted.... Since then we have seen our local schools and playing fields built or, examples (Hereward School) (Fairmead school)(Lucton Boys School)(College)(St. Lukes Special School). Borders lane and now our local pubs (Churchill)(Golden Lion) and now its planned to build on our green spaces, Jessel Green is very dear to us as we use it. We take our grandchildren to play, we take the dog for walks and also we look forward to the fete, so it will not only be us but many other users of the green that will be saddened by the loss of it. Also we have to wait 2 weeks or more for a doctor's appointment.nd our daughter cannot get her daughter in her local school. (Hereward). Also parking will be more of a parking problem with 195 more houses on Jessel Green.
