Land at North Weald Bassett, South of Vicarage Lane

Dear Planners,

The development of this area has been a long time coming. This area is in dire need of additional housing but this site is not the best to come forward, in my opinion, so I don't see why it was the one chosen.

I in fact attended the public event for the development of the land at North Weald Golf Club and found the proposals to be very interesting. In the plans the development will deliver a new school and GP among many other great facilities local residents could benefit from.

sincerely,

A.D. Watson.
