Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping, CM16 6AR

The low turnover of affordable housing to the market makes it extremely difficult for those currently renting to buy or those in smaller houses looking to move to stay in the area. Those that have links to the area will be forced out, which is a great shame. I believe the injection of new builds with affordable housing will give young families and those renting a chance to put down roots in North Weald Bassett whilst also helping to balance the increase in the age of the population for the future. The provision of a nursery and local schools will not only support these young families that may move here but it will avoid the strain on facilities we may experience in years to come.

Local councillors are failing to represent the needs of young families and have been for some time...hence why the need for so many houses and new amenities. A development of this kind is well overdue and has my support and the support of many others I have spoken to.

From,
