Letter or Email Response:

Dear Sir/Madam, I have lived, at the above address for forty years, and I notice that among the proposals for future housing the green opposite (wethall road/ Sandford avenue/rochford green) is included. Some years ago there was an article in the local paper regarding this said green, wishing to know how much the area is used. I sent in a letter along with pictures after, to Loughton Town Council as they were looking to make this a 'village green site status' which I think occurred. This green is used immensely, with football, games, kite flying, dog walking, picnics, etc plus of course the playground, I know even more people would stop and site there a while for a chat if a seat was placed outside the playground. All our open green spaces are vital, but I do know this one is greatly valuable to so many folk, so should be kept this way. Yours faithfully,Redacted....
