Letter or Email Response:

Im writing to express my sorrow and disbelief of almost doubling in size my beloved north weald. We moved there 10 years ago because it was a small village on the outskirts of many other large townswith this attack on where i live it'll become just another, busy extension of harlow..... The small road that runs through the village cant cope most days as it is with through traffic. ...these proposals if they go ahead will ruin many residents happy way of lifenot to mention loss of much of our surrounding beautiful countryside. Angry and upset in north weald
