Letter or Email Response:

Rather than destroy invaluable green sites within the Loughton/Debden areas there are other options. The craziest idea is obviously to build on Jessel Green. Towards the bottom of Avey Lane next to Eastern Counties Game Farm there is a site full of old lorries and machinery. No doubt it is designated for agriculture but has not been used in that way for years. In fact Eastern Counties Game Farm now simply houses a cattery and a residence. Hardly agricultural. These areas would remove the need to destroy many of your other proposed sites.
