Please provide reasons for your view on North Weald Bassett:

I do not agree with the proposed site SR-0588 (The Limes Estate) This will NOT be 'visually unobtrusive'. It will eliminate the rural character of the Grange Hill. The proposed employment sites would be better locations for new housing. 210 houses is a vast number to add to an already densely populated area. The infrastructure will not be able to cope. There is already significant traffic congestion around Manor Road and public transport capacity is restricted as Grange Hill is on the 'Fairlop Loop' section of the Central Line. In addition

this small green space is much used and appreciated and as effectively the only park in the area should not be used for housing. It is a valuable resource in its current form.
