### Letter or Email Response:

Dear Sirs I would like to strongly oppose the Council's proposed building plan to build on Debden's green space ie Jessel Green. I have lived in Debden for 35 years and my family have used the Jessel green every day for dog walking and children's activities. It would be absolutely devastating to see our lovely green developed into a concrete jungle. Debden has few open green spaces where I feel safe to walk alone. There are already many housing projects in progress in Debden how many more can the area cope with - it is already overcrowded and you cannot park anywhere as it is. The schools are at full capacity. EPDC need to look elsewhere to build such as Langston Road the under utilised industrial brownfield land or the farmers fields adjacent to Davenant Playing fields. Please confirm safe receipt. Yours faithfully ...REDACTED...
