Nazeing (Draft Policy P 10)

No

Please provide reasons for your view on Nazeing:

I have already in a previous question not agreed with this plan and feel that Nazeing is already one of the biggest villages in the south of England housing 4000 people!! Green belt land is sacred against urban sprawl and now you want to upset the environment by building on it !!!! think Nazeing is very overdeveloped already for a village !! The traffic coming into the village is unbelievable with articulated lorries going up and down every few minutes with all the nurseries delivering from Sedge Green !! This is also a cut through when there are accidents on the M25 or the A10..
