Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

I object to the proposal to build on Jessel Green as it is a valuable, popular, widely used open space for local residents of all ages and walks of life. To develop over it would be creating an ugly blot on the landscape.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

A better choice for development would be areas such as the Clinton Cards site and other badly utilised parts of Langston Road.

3. Do you agree with the proposals for development around Harlow?

No opinion

Please explain your choice in Question 3:

I do not know Harlow well enough to comment.

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Agree

Please explain your choice in Question 7:

More housing will put a strain on existing services. It would be short sighted in the extreme to ignore the necessity for meeting educational and medical needs of all these extra residents.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.
