MM78.

450 new homes are still too many. The area cannot possibly support that many. That is equivalent to 20 streets of 25 houses each. With open spaces, doctors, dentists and a school it will not fit.

No consideration for it being a flood plain. The plan is sketchy but using existing roads for entry and exit will create very dangerous areas, especially by the bridge.

Doctors & Schools are not decided by the council. The whole town is going to be put under pressure from this plan.

Information is very vague and not appropriate to the importance of this issue.

(Continue on a separate sheet if necessary)
