Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

More houses in areas such as the Loughton Library car park will virtually wipe out people coming into Loughton for the leisure facilities and what shops we have left due to lack of parking. If this goes ahead Loughton is on track to becoming just houses.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

3. Do you agree with the proposals for development around Harlow?

Strongly disagree

Please explain your choice in Question 3:

Loughton is short of space already and losing any more green or open areas will be a disaster.

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Disagree

Please explain your choice in Question 7:

Can only hope that if these plans go ahead provisions are made to accommodate residents in terms of schools and doctors. It is not fair to have extra house put upon us and then let us suffer from over crowding.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.
