> EFDC > I am writing to protest about the plans to build on our green areas at and around debden. > I have lived for 55 years in this area & it is important to our community. It's important to have open spaces for exercise, dog walkers, children safe playing areas, there have also been a number of small fun days held at Jessel drive. You can also see a the surrounding areas around loughton and Chigwell from the hill, why do we we need to spoil it. We have an eyesore already being constructed at the Winston Churchill site, do we have to ruin the place were we enjoy living, I urge you to keep debden green, and not turn it into a London suburb.
