This document has been created using information from the Council's database of responses to the Draft Local Plan Consultation 2016. Some elements of the full response such as formatting and images may not appear accurately. Should you wish to review the original response, please contact the Planning Policy team: ldfconsult@eppingforestdc.gov.uk

Letter or Email Response:

We have lived here for 24 years and have enjoyed Jessell Green for many years, seeing not only our own children and many others play here and grow up together, this is still happening as other young children still do this and it is a nice thing to see, where are they going to do this with 195 new homes on it, do you expect them to play in the road, or doRedacted.... What about the outlook for other people that live there, their view will lost and taken away for good and that's a shame. Lets keep this green space as it is and continue to have the activities that we have on this green. This community comes together at all times for fun and games for young and old, please don't build these places and increase population, traffic and parking and maybe more crime in this area. Lets have it as it is and not let it become an eyesaw.
