Dear Sir/Madam,

Proposed development of North Weald Golf Club, Rayley Lane, North Weald Bassett, Epping,  
CM16 6AR

I don't understand how this land can be classed as best and most versatile agricultural land when it has been operating as a golf course for so long. For those that do not understand there will have been a strict course management regime to maintain it in the necessary condition. That means no ecology on the site and that is extremely unlikely to be suitable for producing crops. Regardless of the site suitability assessment this is a site I would like to see progress.

Kind regards,
