

## **Save Jessel Green Campaign**

Recipient: Local Plan Regulation 19 Representation, Epping Forest District  
Independent Local Plan Inspector

Letter: Greetings,

We consider the Regulation 19 (Submission Version) Epping Forest District Local Plan 2017 defective and unsound due to the inclusion of site LOU.R5 (Jessel Green) in the Plan, page 122 section B, Policy P2 Loughton.

Community Visioning consultation 2010/11

The Community Visioning Consultation in 2011 sought to understand what the planning issues are for the local community and how people would like to see the area develop in the future:

Question 1 asked: What do you think the priorities are for the District over the next 20 years?

32.4% (the largest response) said

'Protect & enhance green spaces' (not focused solely on greenbelt)

Question 2 asked: What planning issues do you think most need to be addressed in your local area?

20.6% (the largest response) said

'Protect green spaces' (not focused solely on greenbelt)

'Policy SP 6 Green Belt and District Open Land' (page 51), and 'Policy SP 3 Place Shaping' fails to identify any Urban Public Open (community used and accessible) Spaces, which are to be given Local Open Space Designation. All focus in the Plan is on protecting the Green Belt and gaps/holes in the Green Belt, not the heavily populated areas that need protected recreational spaces like Loughton, Chigwell, Buckhurst Hill and Epping.

We, the undersigned, petition the Local Plan Examiner to:

-Consider the Regulation 19 (Submission Version) Epping Forest District Local Plan 2017 unsound, poorly prepared, unjustified and inconsistent with National Policy because:

-It incorporates a central and unsupported sequential test which leads to greenfield recreational land in towns being given a higher development priority than similar land elsewhere

-It ignores the amenity and wellbeing value of public urban open space, and the great public affection of residents and others for Jessel Green (LOU.R5)

-It purports to support and enhance such land, but as a contradiction, proposes to allocate it for housing

-It relies on a so called proportionate distribution of housing whereas in fact it allocates Loughton 196 dwellings per square mile where an even spread would be 67 dwellings per square mile

-Site selection across Epping Forest District has not been consistently assessed

-Alternative sites were offered by land owners within Loughton and neighbouring towns, which would remove the need for any housing allocation on Jessel Green, but have been removed from the Regulation 19 Submission version of the Epping Forest District Local Plan, without clear explanations why

-Jessel Green (site LOU.R5) appears to meet the criteria for designation as a Local Green Space in accordance with National Planning Policy Framework sections 76 and 77.

-Emergency services (the Essex & Hertfordshire Air Ambulance service) use Jessel Green as a landing location in extreme cases – 5 times in the last 18 months.

-City of London/Conservators of Epping Forest in their 2016 Draft Local Plan consultation response identified concerns over this site being included (page 8); 'At Loughton The Conservators would disagree with the proposed loss of green space at Borders Lane and Jessel Green. The latter site in particular, if lost, would place considerable pressure on the nearby Forest and also would seem to be in contradiction to the green infrastructure policies in the draft Plan. Such a large green space is currently valuable and has considerable potential to be developed for both access and for wildlife'.

-All schools in the area (5 actually on the estate) oppose this volume of development due to overcapacity and health impact on its

children and their families. The inclusion of large developments throughout Loughton will have a cumulative effect.

-All local bus services have either been reduced to a limited service or are under review

-According to Transport for London's 2016 Draft Local Plan consultation response, they are relying on Crossrail opening in 2019 to reduce its capacity problems. This is on the basis that commuters will be willing to travel substantially further to board trains in The London Boroughs of Havering, Newham or Waltham Forest. Encouraging more car use, congestion, parking pressures and increased poor air quality does not support EFDC's Air Quality or Sustainability Transport (Policy CP9) and Sustainable Travel Plans (Policy ST5) policies.

-Roads throughout the Debden estate are underserved greatly by Essex County Council Highways

In respect to the allocation of Jessel Green, site LOU.R5 for a housing development, the plan is unsound, as non-compliant with NPFF National Guidance Paras 73, 74, 76 and 77 for the following reasons:

1. The evidence provided by the EFDC Open Space Strategy Nov 2017 by 4 Global identifies a significant shortfall in recreation space for young people. Furthermore, the Open space audit of March 2009 commissioned by EFDC for Loughton states that Jessel Green was well used by young people and its use has grown significantly since then. Building on this location will therefore create a further deficit in open recreational space, which is counter intuitive and contrary in the extreme to the healthy community objectives that EFDC aspire to, in its commitment to National Planning Policy.

2. Loughton residents through its Local Town Council have identified Jessel Green as having special importance as a Local Green Space, specifically as a highly utilised and valuable recreation space at the heart of Loughton. This request and requirement made by the Loughton community through its elected representatives, Loughton Town Council has not been taken into account by EFDC and its consultants ARUP, despite an overwhelming petition and response from local residents to the proposals for residential development on this open space. To confirm, this open space is enjoyed by all

ages and abilities throughout the year, which culminates in an annual event, which brings together 1000s of residents across the district to a community fun day. This location therefore has a unique significance and provides an incredibly valuable service in connecting the community.

3. There is no provision in the plan for replacing this valuable recreation space, if built on, so again is not compliant with National Planning Policy.

Actions to be taken:

We therefore ask the Epping Forest District Independent Local Plan Inspector to:

a) Advise/recommend Epping Forest District Council support the request by Loughton Town Council, to register site LOU.R5 (Jessel Green) as a protected 'Village Green' as per the application to Essex County Council in December 2013.

b) Request page 121 of the submission version Local Plan 2017 paragraph 5.33 should be replaced with, 'In its commitment to promote healthy communities, Jessel Green shall be designated as a 'Local Open/Green Space' as having unique importance to the local community as a vital recreation space and connection point for the local community'. This is consistent with National Policy in promoting healthy communities, specifically it is fully compliant and aligns with the requirements as set out in NPFF para 77, to provide this status to spaces that are particularly valued by the local community.

c) Request on page 122 of the submission version Local Plan 2017 site LOU.R5 (Jessel Green) should be removed from the list of residential sites under section B, Policy P2 Loughton.

Daniel Sauvary	Loughton, England, UK	2018-01-05	We need our green spaces!! We do not have the infrastructure for all of these new homes, every other option has not been looked at.
Emma Cragie	Loughton, England, UK	2018-01-05	We love our green!
Neil Bartlett	Loughton, England, UK	2018-01-05	Our green open spaces are used and loved by its community. Its used for a variety of activities all year round! We must not accept urban intensification on such a scale that is clearly wrong on every level, jessel green is the life & lung of debden in loughton and it should be saved and further more protected for our future generations.
Donna Gold	Loughton, England, UK	2018-01-05	Debden is slowly being ruined, save Jessel Green before it's too late!!
Jacqui Alexander	London, England, UK	2018-01-05	Keep the green breathing space for the people. Dont build on this flood plain.
Lisa Tong	Loughton, England, UK	2018-01-05	I have lived in this area for nearly 4 years. My mother played on Jessel green in the 50s long before the estate was expanded. I suffer from PTSD and anxiety and I use this green as a calming space where I feel safe, can walk my dogs and Take my nieces and nephews to play. It provides me a place where I can safely see people approaching, reflect and provides some amazing views to reflect on and enjoy my hobby of photography for the amazing sunsets and sunrises. You will be reducing massively my wellbeing and that of others alongside the technical reasons this petition states to the the services and infrastructure in the area. Don't let building on this space be your legacy to my future generations.
scott thompson	Loughton, England, UK	2018-01-05	It's one of the few open green spaces left in our area for the community to use. Local schools are oversubscribed and local infrastructure is adequate to cope.
Lawna Grant	London, England, UK	2018-01-05	My grandchildren enjoy playing with there friends.Why would we take this away, children and families need green areas Save save. Save
Traci Ironside	Loughton, England, UK	2018-01-05	They are our green spaces and should remain so. Loughton is gridlocked already.
Timis Dorina	London, England, UK	2018-01-05	We love our green!
Nicola Tearle wingrove	Loughton, England, UK	2018-01-05	All of the reasons listed on here are precise , and we just cannot let this beautiful green open accessible land to be built on

Name	Location	Date	Comment
Barbara Tomsett	Loughton, England, UK	2018-01-05	Losing this green area will further ruin our community activites and would be an utter disgrace our council should hold their heads in shame
Jayne Townsend	Loughton, England, UK	2018-01-05	It is used all the time
Donna Bywaters	Woodford Green Essex, UK	2018-01-05	To help family and clients in the battle to save a treasured green area. It will be a total disaster if built on. It's so well used.
scott thompson	Loughton, England, UK	2018-01-05	*inadequate
elaine males	Loughton, England, UK	2018-01-05	I've lived in Goldingham avenue for 32 years and the green has been a major part of my children's childhood now it is a part of my grandsons. You can not build on it. It's everyones sanctuary space
Jacqueline McDonald	London, England, UK	2018-01-05	I used to live in Mowbrey Gardens, this is where all the children from there and surrounding streets played. Summer, Autumn, winter, spring. I was born in the above Street. In the 50's. Lived there till 70's. This small piece of land needs to be saved for the next generation of kids.
Joanna Wragg	Loughton, England, UK	2018-01-05	This space is so vital to local people, there is no infrastructure to support yet another development in Debden. Furthermore with three major housing developments that have already taken place in Debden last year I think we've had more than our share, the roads are already chaos.
Harriet Newton	Loughton, England, UK	2018-01-05	I live opposite this green and use it all the time to walk my dog and My little boy loves the park and the open space. Will be a complete disaster if this goes a head. It's part of our community.
Jackson Gregory	Loughton, England, UK	2018-01-05	I've lived in Debden for 25 years and this place is probs one of the few green areas that haven't been built on. Don't make it all into a concrete jungle!!!
Joanne Tearle	London, England, UK	2018-01-05	Every area needs green spaces and we need jessel green. Save our much loved green space.
Caroline Fullbrook	London, UK	2018-01-05	We will not stop until we save Jessel green EFDC !
Elizabeth Everett	Loughton, England, UK	2018-01-05	LRG Everett
Julie Phillips	Loughton, England, UK	2018-01-06	We can not loose our beautiful green very many happy memories across 3 generations of my family!!! Schools are oversubscribed as it is and with cut backs on the buses too please don't let this happen we will not give up without a fight!!!

Name	Location	Date	Comment
Julie Kennon	Loughton, England, UK	2018-01-06	It's just wrong that they want to build on our only green space
Paula Smith	Essex, England, UK	2018-01-06	The green areas of Debden are precious and should remain. Over developing is ruining the area already.
Rachel Radmore	Loughton, England, UK	2018-01-06	This green is fundamental to the wellbeing of many members of the local community and needs to be protected not destroyed!
John Price	Epping, England, UK	2018-01-06	This is a valuable part of the local environment. It should be preserved for future generations before there's nothing left - just another concrete jungle.
Linda Bates	London, England, UK	2018-01-06	We need some green spaces for our children and their children's children!
isabel jackson	Loughton, England, UK	2018-01-06	We need green spaces.
Jenni Ashford	Epping, England, UK	2018-01-06	I love having this beautiful, peaceful green space on my doorstep to walk my dog. I am concerned about the overcrowding & traffic that more homes would create & the pressure on our local schools, health services & public transport.
S H	Loughton, England, UK	2018-01-06	I live at Brady av on the green and want my green space for my children
Carrie Smith	London, England, UK	2018-01-06	Our green open spaces are vital to future generations
Ken lea	Loughton, England, UK	2018-01-06	The destruction of the Green is wanten act of vandalism by a destructive council.
Paul Debnam	Australia	2018-01-06	The estate needs to retain open spaces for social interaction,the roads are chocked with the number of vehicles now, the foot paths are in a state making it difficult for elderly to see trip hazards , in places it's impossible to use a push chair without going into the road because of parked cars,leave Debden as it is ,infrastructure cannot cope with the present population.
Dianne Reeks	Gateshead, England, UK	2018-01-06	This can't be allowed to go ahead. Green open spaces are vital to Debden. Plus there's far too many cars and not enough Drs, schools etc for even more residents
Richard Tighe	London, England, UK	2018-01-06	Enough is enough.
william roberts	London, UK	2018-01-06	Having lived in Willingale road since 1984 and seen the increase in cars it seems the whole area has become one big car park.The roads have never been relayed and to build a huge housing complex on Jessel Green would only choke the area more with cars.

Name	Location	Date	Comment
Warren Field	Loughton, England, UK	2018-01-06	The people hold the power and if everyone stands up together the power increases.
Keith White	Loughton, England, UK	2018-01-06	I feel that the green space in our community is a valuable asset and once lost you can never restore. It helps people and the environment to have this available to all the people in the area
helle pilia	london, England, UK	2018-01-06	to save the heart of debden ##
Natasha Georgiou	London, England, UK	2018-01-06	This green space is invaluable to our local community. By building on it there will be less safe outdoor space that is easily accessible. Not to mention the additional strain more house and people will have on an already stretched infrastructure!
Moir Mcguinness	Horsham, England, UK	2018-01-06	The infrastructure (incl. Doctors, hospitals, transport) cannot support more housing. Has anyone checked the land can be built on, there are underground streams and ground gets water-logged. Save this green space!
Becky Williams	Eltham, UK	2018-01-06	I live in the area and walk my dogs there every day
Laura Anderson	London, England, UK	2018-01-06	Too many reasons to even start.....it would be a tragedy to lose this precious community green to housing. It has to be saved an alternative found.
Sarah Girling	Sandown, England, UK	2018-01-06	Jessel Green is at the heart of the Debden community. It is a valuable green space used regularly by locals and to build on it when there are other available spaces to build on, where new infrastructure can be provided at the same time. With 5 schools on the Estate and pressure put on transport, education and health services already, this cannot be allowed to happen.
Simona Willis	Newbury, England, UK	2018-01-06	Please please save this green space for the community and for the future generations.
Jan Jeffery	Loughton, England, UK	2018-01-06	This green is OUR village green...Used for events. a yearly fete...people meet there....excellent for mental health reasons....if low mood walk on green and admire views. It was given to people of Debden after World War 2 for reasons of needing green spaces for health.
Lucy Parker	Loughton, England, UK	2018-01-06	Because this green is well loved by our community and we need to save our precious green spaces
Philip Griffiths	Basingstoke, England, UK	2018-01-06	Local communities need to be heard more, after all it is us that live in them!
Fiona Markham	Islington, UK	2018-01-06	Save our beautiful green
Katie Tappin	Essex, England, UK	2018-01-06	Debden roads, schools and doctors surgery's wouldn't cope with the added stress and the beautiful green is where my children learnt to ride bikes, play with friends etc. 6 months

Name	Location	Date	Comment
			ago I moved home, previously we lived in a very very small flat with no access to any outside space, the green was our only outside access and it saved us as a family, I was on anti depressants and my mental health was struggling due to our living situation but the green gave us that little bit of freedom and fun! X
Jackie Collins	High wycombe, England, UK	2018-01-06	I enjoy walking on jessel green when I visit my cousin
Eve Winger	Loughton, England, UK	2018-01-06	This green is a huge part of our community. There is building everywhere at the moment. Please don't take this away too.
Andrew Kram	Heybridge, England, UK	2018-01-06	I love Loughton
Joanne Chapman	Loughton, England, UK	2018-01-06	Jessel Green is at the heart of our community. Why take away such a precious piece of land when there are other lands standing readily available. It makes no sense to build more homes when we already don't have enough school spaces or doctors appointments to cover the area as it is. The whole community is absolutely heart broken at the thought of losing our beloved green. Please please rethink!
Kaye Rivera	London, UK	2018-01-06	Save Jessel Green please! We all need a space to breathe!
Leon Girling	Loughton, England, UK	2018-01-06	Putting forward Jessel Green (LOUR5) as a site for housing development shows a lack of understanding by the decisions makers at Epping Forest District Council. Jessel Green is not just a public open space used constantly by residents. It has the opportunity to bring the community together, such as the annual fun day in which 1,000's of people attend. The space provides support to those with health issues and is a much needed environmental asset (wildlife and air quality). The Conservators of Epping Forest, the Playing Field Association and the Open Spaces Society identify this site as important. To the land owner's (EFDC) you have said it is not about the money. Then remove it from the list of sites and lets start doing more on the green to bring the community together. I will ensure there is a lasting legacy of quality community events. Where council resource is stretched local community groups have already stepped up to support. To the EFDC Independent Examiner I am sure you will see the overwhelming support
Christine Harman	loughton, England, UK	2018-01-06	We do not have sufficient resources in the area to support more families coming into the area. Doctors are over subscribed as are all local schools. And transport links are being reduced all the time.
Joanna Harland	Ilford, England, UK	2018-01-06	This has been a public park space since the estate was built. My father lived nearby in the 50s and 60s when it was affectionately known as The Banjo, because of the shape and the hill. I walked my dogs there. Apart from all this the infrastructure is not in place to build so many houses, the

			roads and parking are full and the fight for primary school places legendary.
Mick Tucker	Hullbridge, England, UK	2018-01-06	We need green spaces for our kids to enjoy
Pamela Palmer	Ilford, England, UK	2018-01-06	Jessel Green is a well used and well loved People's Green. Debden has already had many huge developments over the years. Further developments will not help nor enhance the already overcrowded area. Please do not build on Jessel Green
Terone Nicholson	London, UK	2018-01-06	This is a much loved green it gets used by so many different people I used it as a kid I still use it now with my kids and walking my dogs building on this beautiful green is and should be out of the question
Paula Vlietinck	Essex, England, UK	2018-01-06	This is my local green that I use everyday for work and for my own family
lesley solomons	Loughton, England, UK	2018-01-06	There's not enough facilities for all the extra people, schools, doctors etc
Lucy Heath	Woodford, England, UK	2018-01-06	We use this green everyday 💎
Joanne West	Loughton, England, UK	2018-01-06	We need to keep some open spaces otherwise we will be closed in and not breathing any fresh air sign now please
Iorraine maryon	Loughton, England, UK	2018-01-06	I love the view and take my dog around it
Jason Brown	Alderholt, England, UK	2018-01-06	It's a great space that should not be built on.
Roger Fox	Minster on Sea, England, UK	2018-01-06	We have to protect the greenbelt. It's under attack.
paula brown	Essex, England, UK	2018-01-06	Save our community green spaces
Angie Williams	Chigwell, UK	2018-01-06	We need to keep our green space for our good health
Kerry soper	Loughton, England, UK	2018-01-06	Keep our space Green 💎
Julie Lancaster	London, UK	2018-01-06	I'm signings because I take my grandchildren to the park on Jessel Green,
Laura De'Ath	London, England, UK	2018-01-06	We love this space .
John Stoneham	Loughton, England, UK	2018-01-06	This is a green space that is regularly used by the local and wider community for recreational and social purposes, the councils decision to build on this land is purely financially

Name	Location	Date	Comment
			motivated, and there are many dilapidated sites around Loughton that could be built on instead.
Theresa Edwards	Woodford Green, UK	2018-01-06	Our open spaces are disappearing fast and our children and other members of the community value this wonderful space to play, run, get out and excessive, meet friends and be outdoors.
Nicola Willis	UK	2018-01-06	This is a precious space enjoyed by my family friends constantly thought the year. A safe area for kids to run and play. The area already has a shortage of school and doctor places to place so many houses or flats in the area is ludicrous.
Katie Tappin	Essex, England, UK	2018-01-06	School, roads and doctors will all suffer under the pressure of all the extra strain. Children need green space, it's the heart of the community
Stefanie Krause	Loughton, England, UK	2018-01-06	I live 5 minutes from Jessel Green - our green spaces should not be turned into flats! Never mind the fact that the infrastructure can't handle an influx of hundreds of new people into one small area instead of spreading it out throughout Essex! I'd like to invite the Counsellors who voted for this to join me on a journey to/from work one day - please DM your name and we can arrange date.
Nicola Hunt	Loughton, England, UK	2018-01-06	Jessel Green is used by hundreds of family's & we need to preserve our greens, we don't need more houses!
denise ward	North Elmham, England, UK	2018-01-06	I have visited this area and intend many more tumes. This green is an essential open space for everyone near by. Its so important for the health and well being of the community and wider area.
Kerri Chaplin	Loughton, England, UK	2018-01-06	Our children need space outdoor area to maintain good health and social skills. Without this space they will all be couped up.
Laura Hill	Loughton, England, UK	2018-01-06	Is at the heart of the community and we need this open green space.
Dalia Gustiene	Loughton, England, UK	2018-01-06	This craziness have to stop !!!
Leslie Hill	UK	2018-01-06	At a time when we are loosing our bus service, our health and education services locally are stretched to the limit, the local council want to take our only social amenity away. EFC why do you hate us so much?
Vicky Peet	London, UK	2018-01-06	We need our Green space
Elaine Burrell	Loughton, England, UK	2018-01-06	This is not right keep our green spaces so our children can play like previous generations like my dad and his brothers did everyone should sign who cares about our Essex xx

Stephen Ward	Loughton, England, UK	2018-01-06	Come on people please sign
Shani Edwards	Loughton, England, UK	2018-01-06	It's one of the last green spaces on the Debden Estate
Helen Robertson	Loughton, England, UK	2018-01-06	I believe green spaces are important for health and wellbeing. Young people (and others) need easy access to green space giving opportunities to enjoy outdoor spaces, and providing time away from screens. Connection to nature is shown to have a positive impact on people. Spaces outside 'home' are also important for young people needing time/space away from issues. They are community spaces that enhance the estate. Roads are already busy, under maintained, parking is an issue.
Janine Ratican	UK	2018-01-06	Jesse green needs to stay as green space
Chris Hayes	London, UK	2018-01-06	Green space is important to growing children, and keeping adults active.
Ginette Makepeace Awosunle	Loughton, England, UK	2018-01-06	We need to keep our green spaces and prevent further congestion on the Central Line and local parking.
Sharon Russell	Loughton, England, UK	2018-01-06	It's an important open green space vital to the local communities health and well-being.
Mark Gunner	Spain	2018-01-06	My gran children play there all the time
Luvena Taylor	Thetford, England, UK	2018-01-06	I grew up in this area and played on this green. It should remain available for future generations. There is more than enough housing within Loughton. There is not enough infrastructure or facilities for the hundreds of homes already proposed by the council.
Nick Gates	Chigwell, UK	2018-01-06	The facts speak for themselves, from over populated schools to congested public transport, not to mention our community's love for this beautiful recreational space. Leave it alone.
Luke Sterry	London, England, UK	2018-01-06	Why should Theydon only get 4 houses when they have a lot of green space too
Mandy Willson	Loughton, England, UK	2018-01-06	We need this green, it is used daily by many many people. There are hardly any green areas around and not enough infrastructure to support the houses suggested. Please don't build ##
Rosa Pilla	Buckhurst Hill, England, UK	2018-01-06	This area is Famous for EPPING Forest .... KEEP IT GREEN AND KEEP THE NATURAL HABITAT

Teresa Watts	Loughton, England, UK	2018-01-06	It's absoulugely disgraceful that such a common shared space is being made into a concrete jungle!
Jill Herbert	Essex, England, UK	2018-01-06	We need to have open spaces for our wellbeing and mental health more so now than ever before.
Sarah Polya	London, UK	2018-01-06	Sarah Polya
Lee Butdekin	Loughton, England, UK	2018-01-06	It's a beautiful open green that adds to the area, rather than a concrete building (s) that will destroy it.
Tony Leach	Loughton, England, UK	2018-01-06	This is not needed anywhere in Debden/Loughton. Already packed out and you have killed the Broadway and rectory with those traffic lights. Have a day off
Betty Hojenski	Loughton, England, UK	2018-01-06	For all the reasons stated in the petition. Bureaucracy gone mad :((
Niall Hunt	Loughton, England, UK	2018-01-06	We need green spaces to ensure the health of our children. There is no infrastructure to support new housing, local schools are oversubscribed and the tube is packed at rush hour.
Lorraine Taylor	Woodford Green, UK	2018-01-06	We do not have the infrastructure to deal with any more dwellings! More people mean more school places, dentists and doctors not to mention more cars and we cannot cope locally with this demand! Quite apart from the fact that the Green is a much cherished and used local amenity.
Fatemeh Bayat	London, England, UK	2018-01-06	It's ok
Maria Mosquera	Loughton, England, UK	2018-01-06	What's being planned is just WRONG!
Dean Crisp	Chigwell, England, UK	2018-01-06	This is a disgrace. Keep the green spaces in Jessel green and other local areas.
Nick Winger	Loughton, England, UK	2018-01-06	We need green space for our children to play on, it is the main reason I moved to this area from Hertfordshire.
Matt Jackson	London, England, UK	2018-01-06	Kids need green places to play
kelly challis	Loughton, England, UK	2018-01-06	I've had many good times on this green and now my children do it can't betske from us
Daniel Carroll	Loughton, England, UK	2018-01-06	I've used this green for recreation for 30 years, my daughter uses it now, my parents use it now, it's not a scrubby bit of backland or a brownfield sure it's a well-used, well-loved village green. It's madness to develop here, planners taking

Name	Location	Date	Comment
			an easy option because it's council land and not protected. Disgusting.
Carol STAFF	London, UK	2018-01-06	If this beautiful green space gets built on there is no going back. This cannot happen.
Lisa Ridgway	Loughton, England, UK	2018-01-06	I grew up living across the road from this beautiful green and spent many a summer playing and making memories with my friends. This space means so much to so many. It just can't go
jane anderson	Loughton, England, UK	2018-01-06	It's wrong what they are trying to do jessel green is a big part of Debden & loughton
Carly Anchal	London, England, UK	2018-01-06	Green space is precious and we should be doing everything to preserve it for future generations.
Simone Panayi	Stafford, England, UK	2018-01-06	We are an urban area close to London so green space is even more precious to us!
Billie Chatt	Enfield, UK	2018-01-06	Save the green, Children play just look when it was snowing how many families was on the green having fun,
Tanya O'Rourke	Loughton, England, UK	2018-01-06	It's our village green!!!!
Victoria Cook	Essex, England, UK	2018-01-06	Because I want to save this beautiful green xx
Glenice McMillan	London, UK	2018-01-06	Because the community need space to breath and live. More houses will turn this area into an absolute chaos for traffic and another shanty town estate like the favelas of South America.
Maria Wise	Epping, England, UK	2018-01-06	This green space is vital for mental health wellbeing. It's also a safe environment for children to play without them having to travel too far. Obesity levels are on the increase so why take a green space away which can and is used for exercise. We need our open spaces!
judith reed	Caldicot, Wales; Cymru, UK	2018-01-06	Judith a Reed
Margaret Burley	Loughton, England, UK	2018-01-06	We need our green space now more than ever !
Paul Henson	Loughton, England, UK	2018-01-06	We want to keep our green spaces and it's already horrendous with infrastructure!
nicola canning	Woodford, England, UK	2018-01-06	I'm signing because I live in Loughton and the space is used by the community.
Sasha Birmingham	Loughton, England, UK	2018-01-06	We need green spaces for our children and pets. We live in a flat with no garden we solely rely on these open spaces to get out and exercise.

Name	Location	Date	Comment
Michelle Smith	Chelmsford, UK	2018-01-06	My son goes to school here. Always busy on thr green with dog walkers and people keeping fit. More green space needed to keep kids safe.!!
Samantha Edwards	Loughton, England, UK	2018-01-06	Jessel green is a huge part of our community! My children spend many hours playing there, as did I and my friends as a children. We enjoy summer events like The big bounce and hope to be able to enjoy many more in my children's futures and their children's.
wendy bailey	King's Sutton, England, UK	2018-01-06	People need area to walk on, to play for leisure we need to stop building on every piece of land
Mark Hickey	Loughton, England, UK	2018-01-06	JG is a vital space much loved by and necessary for the community. EFDC have ignored opposition and sound reasoning against it's development. Inclusion in the flawed local plan is based on scandalous misuse of evidence and bias. The EFDC councillors who voted for its inclusion should be ashamed.
Angela Dawney	, England, UK	2018-01-06	It's a valuable open green space, I lived on the edge of it for151/2 years and want to support local residents.
Eileen Herbert	Loughton, England, UK	2018-01-06	We need this space
Julie Ellis	UK	2018-01-06	I do not want to see our beautiful park/greenary built on! It is used by so many and there are not many places left where our children can play at.
Lorraine Braid	Oldham, England, UK	2018-01-06	We complain about animals being left out in the cold.....x
Charlie Martin	London, UK	2018-01-06	We need to conserve our green area s for the end younger generation
Lynda Gray	Buckhurst Hill, England, UK	2018-01-06	Enough development already in this area, not a good place to build, please reconsider!
Jane Hacker	London, England, UK	2018-01-06	I'm signing because we need open spaces for everyone to use. The area is heavily populated and people need the outdoors.
Virginia Woods	Loughton, England, UK	2018-01-06	I care what happens in our community.
Caroline Fullbrook	London, UK	2018-01-06	I have lived almost opposite Jessel green for 20 years . I use this space regularly with my 3 girls , one of whom has special needs .It is essential for her to use open space as it helps her severe anxiety and allows her to run free safely away from cars... We picnic regularly on the green , amd use the park and the two childminders I have used use it to take the children in their care to .I use it to run on and exercise and having suffered with depression it has been a real help to sometimes just sit and watch the world go by and reflect

Kirsten burgess	Loughton, England, UK	2018-01-06	Please sign
Lia Wing	Loughton, England, UK	2018-01-06	There is not enough space for children to play. Jessell drive is local to us and we enjoy the events hosted there
Jean Deudney	London, UK	2018-01-06	Loughton is choking already with over-development - our roads and infrastructure are slowly grinding to a halt!
Patricia Pickett	Haverfordwest, Wales; Cymru, UK	2018-01-06	I have many happy childhood memories of that place.
Olga Snihur	UK	2018-01-06	My daughter loves to walk in beautiful fields
Kim Muckley	UK	2018-01-06	Totally disagree with these outrageous plans!!!!
Kerry Phillips	Chigwell, England, UK	2018-01-06	I grew up playing on that field.everyone uses it.
Ruth Richards	Ongar, England, UK	2018-01-06	We need to keep as many green spaces for our children as possible!!
christine bass	Loughton, England, UK	2018-01-06	I love Jessel green. My family use it a lot. It is the village green for debden and it would be a travesty if it was used for housing
Mary Swayne	UK	2018-01-06	Because it's our green
Tony Forrester	Loughton, England, UK	2018-01-06	I've signed it. It's a nice open space that must be kept, why do they have to build on every piece of land they can find?
Hannah Green	London, UK	2018-01-06	The development of crucial land for safety and wellbeing of the community is not only short sighted for the future but in total contradiction to the immediate needs of the community. Transport links are already being underfunded, cancelled and those left are overstretched. The land must be left alone.
Chris Burr	Stockton-on-Tees, England, UK	2018-01-06	This a piece of land used by the whole community. Please re-think
Louise Child	Loughton, England, UK	2018-01-06	The estate really benefits from having this green space. The reason most of us live here is because we can enjoy the green.
Vicky Herd	Essex, England, UK	2018-01-06	The trains are full, the roads are at deadlock, the schools and Drs already at capacity.
Hwifi collings	Loughton, England, UK	2018-01-06	It's the right thing to do!!Save the green!!!
Claire Whitehead	Loughton, England, UK	2018-01-06	A beautiful green for all to enjoy! We don't need more flats, houses etc in our neighbourhood. Why spoil something that the growing community here so enjoy!!

Name	Location	Date	Comment
victoria williamson	Loughton, England, UK	2018-01-06	Jessel green is a vital local green space and very well used
Jane Yeboah	London, UK	2018-01-06	My kids play on Jessel green all the time there are so many local community events there without this space a community will lose something important.
Patricia Campbell	Bury Saint Edmunds, England, UK	2018-01-06	Keep the Green Belt green!!
Janet Killbourn	Paphos, Cyprus	2018-01-06	Stupid decision, which makes me question the motivation behind it is.
Rachel Newby	Loughton, England, UK	2018-01-06	The community NEEDS this space and the infrastructure can't cope with the needs of the current local population. Green spaces mean healthier communities. Keep our green spaces.
Susan Vaux	Loughton, England, UK	2018-01-06	Kids play there and we need the green as it is natural
Susan Vaux	Loughton, England, UK	2018-01-06	Don't take away green belt land the kids need places of safety where they can be seen take away them and the kids won't have any places to play leave alone every thing is about money should have thought about this when eu opened the gates over populated that's why we have all,this grief now
Donna Webb	loughton, England, UK	2018-01-06	Too much of our green spaces are being used for homes
Anne Burzio	London, UK	2018-01-06	We want to keep this land green
Tracy Collins	Loughton, England, UK	2018-01-06	We need to keep the green open space we have enough new flats in this area
Lucy Stubbings	Loughton, England, UK	2018-01-06	They want to build more housing..... But no. More schools, doctors or hospitals!! Don't take our green space!
Ian King	London, England, UK	2018-01-06	There are much better potential sites that would leave a valuable and well-used local green space untouched. It os one of the only local green spaces left. In addition, there is already overcrowding in local schools and doctors surgeries, so not enough supporting infrastructure. The rejection of better alternatives seems strange and feels like a money or political agenda. Please can you investigate and respond.
Kim Brown	London, UK	2018-01-06	This has been a family field for many generations, it would be so sad for it to go, as well as that , where will the children go to school doctors etc already full to bursting
paquita milbourn	Dagenham, England, UK	2018-01-06	Because its absolute madness not to..

Name	Location	Date	Comment
Rob Myles	Loughton, England, UK	2018-01-06	We can't let this happen and
Ashley Brook	Loughton, England, UK	2018-01-06	Jessel Green is the heart of our community, there are other more viable sites suitable for construction of new homes.
Lucy Oyella	Theydon Bois, England, UK	2018-01-06	I am si
Michelle Seaborne	Loughton, UK	2018-01-06	I have grown up living near the green and feel it is so important for our younger generation to play on.
Helen Munn	UK	2018-01-06	Jessel Green is a much loved green space that gives respite from dense housing in the area and small private gardens. There isn't any capacity in the infrastructure to support so many new houses!
sharon butler	Loughton, England, UK	2018-01-06	It's an area that is used by all walks of life And it's good for the environment
Leigh Sullivan	London, UK	2018-01-06	Essential and beautiful green space. We need to protect it for our children to use and enjoy. We cannot let this happen!
Brenda Baker	Loughton, England, UK	2018-01-06	We don't want to lose green spaces as they are very important to many people especially those with young families
Elaine Brennan	Waltham Abbey, England, UK	2018-01-06	We need to save our green land/belt land
Sandra Murphy	Loughton, England, UK	2018-01-06	We don't want our community to be overcrowded by more Housing we love our Green open Spaces that our children and Grandchildren use and Enjoy
Anne-Marie Bryan	Loughton, England, UK	2018-01-06	Jessel Green needs to be saved from building new homes! It's a community green used all year round!
Teresa Hutton	Essex, England, UK	2018-01-06	The Green is a lovely area . For dog walkers, family, how can you put houses on this beautiful spot .....
Karen Crowther	Stamford, England, UK	2018-01-06	I used to go to school at Davenant round the corner and used to walk around to catch my bus. I think retaining these green spaces is so important for communities and we should do all we can to preserve them for future generations to enjoy!
KELLY BRETT	LONDON, England, UK	2018-01-06	We don't need more housing to take good green space away. Other land can be used. What about schools and traffic!
James Rea	Sunderland, England, UK	2018-01-06	The loss of any local greenspace goes against current NHS and Goc Reports on the value of any green space for both physical and mental health benefits, and as such, should be registered as a Village Green

Name	Location	Date	Comment
Claire Farquhar	Loughton, England, UK	2018-01-06	I don't want Loughton/Debden to lose anymore of its green space or become an overcrowded area. How will our infrastructure cope with even more developments?! Many of us moved out of London for the green space and less cramped and busy life!!
Simon Forsdyke	Loughton, UK	2018-01-06	Save our green spaces!
Doreen Edmonds	Telford, England, UK	2018-01-06	!
alison sykes	Loughton, England, UK	2018-01-06	stop taking our children's green space and let them be children!!
Kevin Camp	London, UK	2018-01-06	Children need space to play
Frances Holman	Enfield, England, UK	2018-01-06	To many green spaces for children to play safely heing taken away
Aileen Thomas	Loughton, England, UK	2018-01-06	It's one of the limited spaces left in Debden and is so important to the community
Gary Rowlands	London, UK	2018-01-06	I use Jessel Green with my children.. it is a required open space for all sorts of activities. More houses in this area will be a disaster as there will be more oversubscribed schools and local amenities
Sarah Holding	Ongar, England, UK	2018-01-06	Building on Jessel Green would be detrimental to the community and the area
Cheryl Mitchell	Laindon, England, UK	2018-01-06	Save the green!
Liz Start	UK	2018-01-06	It must stay as a green space!
Brian Jennings	Loughton, England, UK	2018-01-06	This space is the heart of our community. The planned development would ruin the area and there are plenty of other places that could be buit on with with no effect on the surrounding area
Eddie Matthews	Loughton, England, UK	2018-01-06	We need to keep our play areas and community spaces
nicola Philpot	Chigwell, England, UK	2018-01-06	I don't believe this field should be built on. I think it would be criminal. Please leave the green free from houses and let the children and other people who would like to use it use it.
Christine Alty	Southport, UK	2018-01-06	Christine Alty
Leigh Sullivan	London, UK	2018-01-06	We cannot allow our precious green spaces to be destroyed. Our schools, GP surgeries, dentists cannot cope as it is. We must protect our town!
Maurice O'Driscoll	Loughton, England, UK	2018-01-06	We need to keep our open green spaces more than we need housing in our locality.

Name	Location	Date	Comment
Linda Archibald	Bristol, England, UK	2018-01-06	Leave the people's green spaces alone, build on brown-field sites instead, property developers are the scourge of society, greedy and totally without morals.
Janice Moore	Barnet, England, UK	2018-01-06	We need to protect our green spaces. Yes more housing is required but why don't local Councils repair and reoccupy the current housing stock lying unused
Nadine curran	Loughton, England, UK	2018-01-06	This is a place where families can walk their dogs, take a stroll, sledge or just enjoy the freedom of greenery. Why would you want to destroy this?!
Elke Taylor	Loughton, England, UK	2018-01-06	I use Jessel Green on a daily basis walking my dogs meeting up with local friends and want to preserve it for my son to enjoy while growing up!
Janet Hawkes	Loughton, England, UK	2018-01-06	I live locally and will miss the green if it goes
Melissa Amilli	Waltham Abbey, England, UK	2018-01-06	Soon there will be no where left to kids to play outdoors. Forget two snacks a day - stop killing our open space!
Robert Hewson	London, UK	2018-01-06	We need to keep these green spaces for the future generations.
Steve Jones	Aberdeen, Scotland, UK	2018-01-06	Please don't take away this green space as it's so important for our community!
Lisa Jeffries	Loughton, England, UK	2018-01-06	We need to keep our green spaces for the community, we live here because of the rural feel, if we wanted an urban environment we would have stayed in central London #
frances fryer	Romford, England, UK	2018-01-06	We definitely don't need anymore estates ,green spaces are what we need .Nowdays any spare piece of land goes for building ,to many buildings not enough thought goes into these area,s
Vincenzo Palagi	Loughton, England, UK	2018-01-06	I enjoy the fields as they have great fun days for the kids to be entertained also great use on the park.
Rachel Bell	UK	2018-01-06	Green spaces in Loughton/Debden need to be protected!
Dawn Johnson	Sheffield, England, UK	2018-01-06	Green space is so good for people. There are enough houses and not enough greens
Karin Ryk	Wick, England, UK	2018-01-06	This need to squeeze houses into every green space is horrific. Build on brown field sites first
Natalie Palmer-Sutton	UK	2018-01-06	Save this green- it's a beautiful space
Sharon Smith	Loughton, England, UK	2018-01-06	My whole family love going to this beautiful place to play, picnic and join friends. It's a lovely piece of land and will destroy the area if gone. Adding so many houses will

Name	Location	Date	Comment
			increase congestion on the roads, schools and services in the area and it just isn't on
Hazel Tufton	Cuffley, England, UK	2018-01-06	Green spaces are important
cathy henry	loughton, England, UK	2018-01-07	I enjoy using the space.....and an ariel view of the area shows how built up the rest of the estate is...why? The traffic is quite heavy at school times and generating more traffic causing pollution and dangerous unnecessary hazards for all...what happened to creating a community and giving us the people that actually live here the right to a tiny bit of open space and a yearly get together with the great Jessel green event...as an employee of a big leisure Co we took part and were happy to continue to take part in the yearly obstacle course. .great fun for all...are we not entitled to just this small area? The Epping college housing development The Broadway development the Golden Lion development The developement by Sainsburys.....ENOUGH...
Andrew Measor	Essex, England, UK	2018-01-07	not more green areas built on , build outside of towns !
Angela Cass	Buckhurst Hill, England, UK	2018-01-07	This green is an essential recreation space for the people of Debden, important for residents' mental health, important for children to play outside and an important balance for the many houses already there.
Ken Singleton	London, UK	2018-01-07	We are building to many houses in all ready populated areas! Drive down M25 loads of farmland, build new estates like we did in 50s-60s like Basildon, Harlow, the government are paying farmers millions to plough thier fields and not growing anything! They were getting grants from Europe but after Brexit it will cost us billions!
Kelly lavery	Portadown, Northern Ireland, UK	2018-01-07	Green space is important. Check out PPS8 and get in touch with Fields in Trust
Avril Tuohy	Woodford Green, England, UK	2018-01-07	Housing density is already too high for transport infrastructure and local authority facilities in the EFDC area.Development should be in less built up areas to relieve the pressure on existing communities.
Dawn Hurrell	London, England, UK	2018-01-07	Not many lovely places left like this one
Louise Eleftheriou	Woodford, England, UK	2018-01-07	Because this is area of high density housing and the local community rely on this green space for recreation and healthy living. A totally unjust proposal!!!!
Penny Cadwallader	Epping, England, UK	2018-01-07	This green space is essential for the health and happiness of the people living here. It plays a very important part in maintaining a balance of housing and land. To build on this would be extremely short sighted and thoughtless. Build somewhere else.

Name	Location	Date	Comment
Gloria Rennert	Australia	2018-01-07	Open spaces need to be kept free for the health and well-being of our grandchildren.
rebecca kelly	greenhithe, England, UK	2018-01-07	I used to love this space as a child and I don't want to see a new generation lose it
Diane Rhodes	Loughton, England, UK	2018-01-07	This is an important and essential outdoor community space and must be kept as it is. This are has never been built on so let's keep it open for all to use. It is good for our physical and mental health.
Marie West stone	Hornchurch, England, UK	2018-01-07	M stone
Pauline White	Woodford, England, UK	2018-01-07	There will be no where left for children to play & no green field's # just a concrete jungle
Susan Hodgkinson	UK	2018-01-07	It's apiece of land that is used by a lot of people and there's nowhere else to go.
Matthew Etherington	New Southgate, England, UK	2018-01-07	There is to many building work going on. It needs to move out of London areas
Glynis Bradley-Peat	UK	2018-01-07	Green spaces needed in deprived areas. Build houses on new land away from already hard pressed, high density populations.
Louise Freedman	Loughton, England, UK	2018-01-07	Beautiful bit of green land much needed in this dencely populated part of loughton.
Julia Spicer	Woodford Green, UK	2018-01-07	Fed up with over development of our green spaces.
Richard Newton	London, UK	2018-01-07	It's a lovely green space & must be kept that way
Jeanette Begley	Loughton, England, UK	2018-01-07	Too many green spaces being seized
Timothy johnston	Barnet, England, UK	2018-01-07	Because we need to preserve our Green Belt land especialy around Epping Forest
Lisa Andrews	Loughton, England, UK	2018-01-07	Our family have enjoyed this space for 40 years. The sense of freedom we had as children and now as adults with our own children is priceless. The future of our children's mental health and wellbeing is too important to destroy this freedom
dawn humberstone	theydon bois, England, UK	2018-01-07	The green is a vital community space, used by young and old in the community. It is also important for wildlife and its trees perform an important environmental role in this suburb of London.
Kelly O'Connor	Loughton, England, UK	2018-01-07	This area doesn't need to be overcrowded any more. School, doctors and parking are already full to bursting.

Name	Location	Date	Comment
Ansie Du Preez	Pretoria, South Africa	2018-01-07	Please help to save this vital community environment for old and young and also for future generations!!
patricia cook	Loughton, England, UK	2018-01-07	One of the reason s I moved here was because of the beautiful green open spaces !. I love them and they need to be preserved at all costs !!!
COLIN HURLEY	Borehamwood, England, UK	2018-01-07	It's a space I played in as a kid 55yrs ago.it belongs to the kids of debden.
Barbara knight	Loughton, England, UK	2018-01-07	It's OUTRAGEOUS that they should take away this space from children they have nothing as it is why deprive them of something else I'm disgusted
Christina Howell	Moreton In Marsh, England, UK	2018-01-07	Loughton has seen a large number building/housing projects over the few years taking many of our green spaces school fields built on,nowhere for children to play and many flats in the new Winston Churchill are still unsold showing there is not the demand for overpriced properties or overpopulated areas no room on the roads schools doctors trains and hospitals the area can't cope with more!
Emerantia Claassen	Loughton, England, UK	2018-01-07	I live close to Jessel Green. I walk my dogs on the Green. I train on the Green and I see other families using the Green. I also know that our area is developed to maximum capacity and that another 154 houses will place a tremendous strain on our services which already cannot cope with demand.
Charles Curtis	Newbury, England, UK	2018-01-07	How can kids be persuaded to play outside instead of on tablets when there's nowhere to play !! The green is central to the community and a perfect place to meet neighbours. The council has wasted money on traffic lights in the area and a poor redevelopment of debden high Road. Another rubbish decision !
Linda Hills	Wells, England, UK	2018-01-07	Green spaces are for the community not for profit.
Jane Page	Loughton, England, UK	2018-01-07	Don't build on our green space & ruin the community.
Amanda Mccamlie	Loughton, England, UK	2018-01-07	There will no green space left for our kids to play if they keep building on every bit
Sue McGuinness	Loughton, England, UK	2018-01-07	The Jessel green is used daily and it is needed to help encourage fresh air and fitness which relieve stress. Not everyone can afford to pay for recreational enjoyment.
Kim Thurgood	London, UK	2018-01-07	As someone originally local in the area I'd hate to see community space go because of development greed!
Ann Saunders	Loughton, England, UK	2018-01-07	We have duty of care to keep our green spaces and not let the council profit. Let's bro.g back community into the community.

Name	Location	Date	Comment
Louise Gillham	UK	2018-01-07	This is my home down and is over developed as it is. Save jessel green!!!
Laura O'Grady	Loughton, England, UK	2018-01-07	The area is already over populated and local services and roads cannot cope already
Mary Sowerby	Guiseley, England, UK	2018-01-07	My grandchildren enjoy playing on this much loved, much needed space. The families nearby need this open green area.
Donna Wright	London, England, UK	2018-01-07	Already over populated area. Not enough amenities for even more people. The green is loved and used by so many.
carol macmillan	Fort William, Scotland, UK	2018-01-07	It is happening in Scotland too. Green areas designated for the Community should stay for the Community. They can be run voluntarily but must find a way to keep going. It is like the days of high rise flats with no local amenities. Stupid councils. Make savings elsewhere. Some things just shouldn't be earmarked.
Charlie Fraser	UK	2018-01-07	I live opposite the green and seen what a great place it is for kids and adults to enjoy
Maria Randall	Loughton, England, UK	2018-01-07	Love walking on Jessel Green - always see the community enjoying themselves here whether it's families playing, people walking their dogs, others keeping fit in groups. It's a true gem to the community's wellbeing - enjoyed by all
Debbie Clarke	Wolverhampton, UK	2018-01-07	Jessel green is an essential part of the community. It brings people together. More housing will stretch essential services to breaking point.
Joan Marable	Loughton, England, UK	2018-01-07	We need so save our green
Amanda Petty	Canvey Island, England, UK	2018-01-07	My family grew up here at Willingale Close. I spent many a time with my grandparents here and have seen how much the community love it. It was lovely to see the community spirit when we had the snow a few weeks ago. It goes to show that losing this green space would be such a loss to everyone. Please keep for the future generations xx
Sandra Thomas	London, England, UK	2018-01-07	The site opposite the college should be built on not here, used so much everyday by so many people and emergency services so really isn't fair if we lose this privilege
Amy Palmer	na, UK	2018-01-07	As a child I loved playing on the green running up and down the hill, playing in the park. we as a community are running out of green spaces to enjoy, soon the community will be cluttered beyond belief with flats and houses which will make the area less desirable to live in and cramped. Rather than thinking of a short flux of money we should be thinking about long term and the bigger picture. People will begin to leave the area as it will be an undesirable place to live, families want outside activities not blocks of houses surrounding them. Not to mention the schools, which are

Name	Location	Date	Comment
			already far over capacitated. This will cost a lot more in the long run so the cons far outweigh the pros. The people of the community have spoken, all of us disagree with this plan it is now time for our council to listen to us (the community/ majority) instead of those with money and power.
Georgie Jess Davies	Cardiff, Wales; Cymru, UK	2018-01-07	The work will affect my mother's health. She lives close to the proposed site and suffers with COPD.
Steve Sullivan	Woodford, England, UK	2018-01-07	Local green space (on your doorstep space) is vital to all local communities. You need spaces for kids to play, new mums to meet new friends and introduce their young ones to the joys of being outside! Everyone should be able to get outside and enjoy green space!
sarah lawrence	Loughton, England, UK	2018-01-07	Loughton and Debden is known for good open green spaces. Do we really need to loose it . Let's not become another London borough with no spaces
Ashley Wise	Loughton, England, UK	2018-01-07	We need to save Loughton's green spaces for future generations
Brad Lank	Arlington, Texas, US	2018-01-07	Brad Lank
william milligan	Loughton, England, UK	2018-01-07	In an age of increasing outdoor inactivity, especially amongst children, how can people be encouraged to walk, run or play if their parks and open spaces are taken away from them? Save Local Green Spaces.
Jamie O'Grady	Loughton, England, UK	2018-01-07	The traffic in and out of Loughton is already horrific. All the roads are constantly congested. The great village feel of the place is being very quickly wiped out by the massively excessive and greedy house building.
Sarah Hamid	Loughton, England, UK	2018-01-07	If we don't stand up to this then little by little all of our green spaces will be built upon. Loughton will become like the inner city. It is bad enough that recent new build flats in the area seem to be built higher making the area seem more enclosed.
Julie Watkins	Buckhurst Hill, England, UK	2018-01-07	It's time to stop overpopulating West Essex. There are already too few schools, doctors and hospitals. The roads are congested, puplic transport is over crouded and there are already too few green spaces where children can play. The government is always harping on about obesity in the young, yet they are building on green spaces and school fields; taking away the very places where children can play and excercise without having to pay large fees to corporate companies and leisure centres. We should encouraging children to get off of their computer games and out into the fresh air to play; being inside with with artificial light, playing on computer games or social media websites is detremental to children's mental health and physical development alike. Don't build any more houses here!

Name	Location	Date	Comment
Daniel McGuinness	Loughton, England, UK	2018-01-07	I'd like to save this area as it's where I played as a kid if they want to come forward with a plan to make it a place more suited for the younger generations to play safely that would be awesome but not housing.
Marc Owers	Loughton, England, UK	2018-01-07	Jessel Green is a great bit of open space for people to enjoy. Kids playing families walking the dog etc. Adding more housing will destroy the open 'out of London' feel to the area which is why many people live here
Claudia De Jongh	Loughton, England, UK	2018-01-07	Already oversubscribed area with very few areas of leisure and enjoyment for its residents. Taking away a much loved green will bring the morale and popularity of the area down. There are many other areas that can be built upon instead of the Jessel Green.
Jacobus Le Roux	Buckhurst Hill, England, UK	2018-01-07	We need space, stay green.
Hayley Odonoghue	Loughton, England, UK	2018-01-07	This green space is vital for community well being. Local services are stretched very thin and we do not currently get the service we should be getting from the police, GPs, tubes etc purely because of the volumes. Building on the little green space Debden estate enjoys as a community will not just be aesthetically displeasing but built up areas attract criminals not to mention the car parking issues and traffic conditions which are already ridiculous. Mental and physical well being for residents should also be taken into consideration. Green open spaces for both children and adults are good for the mind as well as being a place children can play freely getting exercise instead of using consoles because they have nowhere to go.
Paul Owers	Loughton, England, UK	2018-01-07	We can ill afford to lose the green space in this area and the facilities in the local area are not sufficient for the level of increased dwellings and resulting population proposed.
Daniel Walters	Loughton, England, UK	2018-01-07	I'm signing because it's one of the last green areas left on the estate. Let's leave some green areas for our children and grandchildren
Susan Fullman	Essex, England, UK	2018-01-07	This green is still used by all the locals children and adults
Susan Wemyss	Loughton, England, UK	2018-01-07	I have used this green regularly since 1961 and still use it every day
Sarah Hatcher	Essex, England, UK	2018-01-07	Would be too awful for words to lose this lovely open space where I played as a child and so many studio do now.
Janet Maddern	Ilford, England, UK	2018-01-07	Stop building houses and flats on every bit of green. Soon there will be none left!!!
Karen merriott	Loughton, England, UK	2018-01-07	We need to keep our green spaces, this area is used by a large percentage of the community.

Name	Location	Date	Comment
Martin Hutchins	Middlesbrough, UK	2018-01-07	Save our green spaces so we can give them to our future generations as they were given to us.
sharon platt	London, England, UK	2018-01-07	I remember this space when I was young as somewhere to play and enjoy not for somewhere for dwellings
Sonia Molloy	Harlow, England, UK	2018-01-07	This green is for the children in this area and different activities also!! We do not need any more homes in this area as it is!!
Amy Fantham	Loughton, England, UK	2018-01-07	There would be no large recreational space whatsoever in the estate. Awful.
Janita ARIF	SOUTH OCKENDON, England, UK	2018-01-07	Green space is essential to the quality of life.
ian Alderson	Caerphilly, Wales; Cymru, UK	2018-01-07	When I lived here, I enjoyed walking on this site. If there are other sites available without eating into Epping Forest, then they should be used.
Simon Burley	LOUGHTON, England, UK	2018-01-07	Green spaces create happiness. Overcrowding and being indoors doesn't.
Gillian Glasspool	Epsom, England, UK	2018-01-07	Jessel Green is a wonderful open space which has been enjoyed by all ages in all weathers. It hosts community events and so many other happy leisure pursuits. Please don't replace it with more people - and then give no one anywhere to relax in green, open space ... it is asking for trouble and discord where there was harmony.
ray wright	Tauranga, Bay Of Plenty, New Zealand, New Zealand	2018-01-08	I was bought up in Jaessel Drive and would hate to see the green spoiled by housing, it will be the downfall of Debden entirely.
Hannah Gold	Dunmow, England, UK	2018-01-08	This space is needed for community not housing
Mary Crawley	Sudbury, England, UK	2018-01-08	Purely for its use by the local people and the air ambulance, a community lifesaver
Janet Shaw	Romford, England, UK	2018-01-08	I am signing the petition because it is vandalism to keep building houses on our green spaces. There are thousands of old buildings that are not being used that could be turned into housing. We should be building forests not housing estates.....and controlling population growth, not encouraging over population of our beautiful country. Find some empty fields and build some roads, but don't build on our green spaces that are used by the community.
Christine Carlsson	Loughton, England, UK	2018-01-08	If you are local you know how important our green spaces are

Name	Location	Date	Comment
Rosalind Webb	Chelmsford, England, UK	2018-01-08	We all need open space for our mental and physical just as much as we need decent places to live.
Michelle Wimpress	Buckhurst Hill, England, UK	2018-01-08	It's the green that is used by the entire community
Keith Gregory	Ilford, England, UK	2018-01-08	There are to many new building developments in this area so leave the green park alone
Simon Heap	Buckhurst Hill, England, UK	2018-01-08	Jessel Gren was designed to fit within the overall planning of Debden. It is not a space the original builders couldn't be bothered to finish. It is a vital green lung in a densely populated area. Many studies have shown the there are many cognitive benefits from being close to green spaces. Adding more cars to an area that has 3 schools is surely madness and fails, utterly to address the needs of this community.
Gloria Everett	Abridge, England, UK	2018-01-08	It is such a shame that this beautiful piece of land will be built on.
Linda Morris	dagenham, England, UK	2018-01-08	There should always be green spaces to enjy
Emma Richards	Loughton, England, UK	2018-01-08	This is an important and only vast recreational space in the hub of Debden. My family & I use it daily. The impact of losing this space will be so detrimental and cause long-term problems & misery for the people of Debden. Please sign & share this petition & help support us in stopping the money led fat cats take our precious green away. They have other choices put forward to build on but are ignoring residents! Please sign and share. Thank you.
Georgina Cox	London, UK	2018-01-08	People and birds and England.!
tony galea	london, England, UK	2018-01-08	The irreversible loss of this amenity would be a national disgrace. Hopefully the planning committee will be aware how many votes may be lost
Graham Williams	Dagenham, England, UK	2018-01-08	The loss of our green space is never replaced. New builds should be on brown field sites. There are still plenty of them.
G. Carty	London, England, UK	2018-01-08	Green space is vital within a community, for all kinds of reasons - helps improve air quality, and is of psychological importance. You cannot keep building and building until everyone is packed into a concrete dystopia -- their are STUDIES on this stuff.
Helen Pickering	Nazeing, England, UK	2018-01-08	Green spaces should be kept for our children to enjoy
Amy McCullough	Loughton, England, UK	2018-01-08	The plan has no allowances made for impact on infrastructure and resources: public transport, roads, schools, doctors etc etc. It would impact and destroy a lovely community.

Name	Location	Date	Comment
Darren Verschoor	Loughton, England, UK	2018-01-08	Leave us some greenery please!
jenny verschoor	Loughton, England, UK	2018-01-08	We need some green spaces
Hans van den Berg	Amsterdam, Netherlands	2018-01-08	to much nature has already been given up.
sue pearce	Loughton, England, UK	2018-01-08	I think we need the green space. Everything we know in the area is being changed and taking away our country side.
Mel Nuttall	Ryde, England, UK	2018-01-08	Unrestricted building is not sustainable
Rochelle Cohen	Camden Town, UK	2018-01-08	Save green space
Kate Skilbeck	London, England, UK	2018-01-08	I know it's a cliché, but once it's gone, it's gone. We can't bring back such a valuable (in so many ways) green space once it's been built on...
Joanne Hunt	Southampton, England, UK	2018-01-08	Jessel Green is a much used and vital part of our community. Building houses on this green space is ridiculous and heartbreaking. It would directly have a negative impact on mine and my children's lives. It should protected not built on. The plan has not been thought out. Local schools are oversubscribed as are doctors surgeries. Please do not sacrifice the green and instead protect it for the well being of those who already live here.
Shantel Green	Loughton, England, UK	2018-01-08	Jessel Green is a centre point of community activity ie when there was a day where an event takes place every year and the community gets toget her
Shantel Green	Loughton, England, UK	2018-01-08	Together*
Noreen Madison	Woodford, England, UK	2018-01-08	Local people benefit from open spaces, selling off property is just a quick fix for Council funds,, but once sold it is gone forever.
Lisa Baldwin	Loughton, England, UK	2018-01-08	I use this green space on a regular basis to exercise my two Bichon dogs and we absolutely love it # and so do our dogs,it definitely gives them a great sense of wellbeing x
Jane Willcox	Essex, England, UK	2018-01-08	It is appalling that the only green space left in Debden is to have houses built on it. Leave the green spaces alone.
William Byrne	Waltham Cross, UK	2018-01-08	We need playing fields for our children
Sara Crawford	Essex, England, UK	2018-01-08	Save our open space for the local children and families...we don't need more flats!

Name	Location	Date	Comment
Nancy Skinner	London, England, UK	2018-01-08	We need all our open spaces for humans and wildlife
valerie milton	Brisbane, Australia	2018-01-08	I played there growing up and it holds great memories and should be kept for the community to use.
Beverly Bernhardt	Cambridge, UK	2018-01-08	When green spaces are gone. Where will houses be built then? Innovation and careful thought is needed
Gemma Lawson	Loughton, UK	2018-01-09	The traffic in this area is bad enough without adding 150 new houses, the parking and tubes are also horrendous. This is a stunning well looked after and appreciated green. I totally disagree with this extraordinary and outrageous decision!
Eilish Friel	Kilcolgan,, Ireland	2018-01-09	Green spaces are used by all of the community and it is a natural habitat to many animals and birds.
Maureen Ward	Loughton, England, UK	2018-01-09	We used the green a lot when the grandchildren visit. There is always family's walking their dogs and children running.
Fiona Welch	Sheffield, England, UK	2018-01-09	Any green space which is enjoyed by local communities should be preserved. New housing should use brown field sites. Then those people too can enjoy the green space.
Chris Roberts	London, UK	2018-01-09	I have lived my whole life in loughton and I have seen many changes to the area as developers and EFDC snap up every opportunity to build. We have lost sports centres, community centres, church halls, schools and their playing fields, pubs, even garages, loughton and in particular Debden has played it's part we have given much. What is planned now by EFDC is a kick in the teeth for everyone in loughton. I will be taking part in the Regulation 19 phase of the Local Plan. I urge everyone take a look at the plan and if you can see something inconsistent or incorrect you should also write in and take part.On December 14th at council I spoke in opposition to the Local Plan in that this whole plan is un-sound it has been poorly prepared without due regard to the public consultation the evidence and is completely unfair, Its a bad deal for loughton residents.If you cannot write in and take part please sign the petition REJECT THE Local Plan.
nadene stevenson	Loughton, England, UK	2018-01-09	We should not be loosing all our green spaces.
Mary Chivers	Loughton, England, UK	2018-01-09	Like most local residents I wish to protect green spaces for future generations.
Paul Effeny	Barking Essex, England, UK	2018-01-09	I want to save Jessel green from flats being built
Sarah Calcutt	Goudhurst, England, UK	2018-01-09	Green spaces are a precious amenity for communities, a haven for both people and wildlife

Name	Location	Date	Comment
Debbie Allen	UK	2018-01-09	Jessal green is an integral part of the local community and should remain so
Stephanie Thorn	Chigwell, England, UK	2018-01-09	It's a part of our community. A green space for our children to play and to walk our dogs.
Phil Nation	Newport's, England, UK	2018-01-09	Too much of our green space is being lost. What happens when it is gone?
Heidi Hughes	Leighton Buzzard, England, UK	2018-01-09	We'll have no green spaces left if the councils approve planning on these cherished spaces, shocking :-(
David Stringer	Loughton, England, UK	2018-01-09	They should build in Theydon, where there is ample green space, but oh, the person who sits on the committee has their house there...
Sandra Geraghty	Loughton, England, UK	2018-01-09	We need green spaces for sanity. Stop killing our countryside
Janet Bath	Brightlingsea, England, UK	2018-01-09	We need to keep our open spaces. This area is very important to the local people.
Esther Richardson	pwlheli, Wales; Cymru, UK	2018-01-09	I grew up playing there
Hannah Wright	Cambridge, UK	2018-01-09	I don't like the idea of open spaces being built on.
Cheri lay	Loughton, England, UK	2018-01-09	Myself and my 4 children use this regularly and it would be absolutely gutting to see it gone to more houses
Ann Beavis	Sunderland, UK	2018-01-09	This is a precious piece of community land
April Berry	Burnham-on-Crouch England, UK	2018-01-09	It's a great space, don't spoil it
Malcolm Davey	Sydney, Australia	2018-01-09	We need space for children.
Susan Poett	Loughton, England, UK	2018-01-09	We need our green spaces
Ruth Howarth	Loughton, England, UK	2018-01-09	I live close to the Green, I walk across it, as well, as I don't drive, when I was a beaver & cub scout leader we used the Green for games space, learning, caring about the environment, they drew & submitted posters explaining why they wanted to keep the Green. It was amazing the understanding of 5-7yr olds, & 7-9yr olds when they thought about losing their (& I mean THEIR) Green. It is abhorrent that this is even up for discussion. The Green should, no scrap that, MUST stay.
floretta gibson	London, England, UK	2018-01-09	We need the green space for recreational use, it does get used and there is clear evidence of this. We do not want to end up making Loughton an extension of London, with all the problems we moved away from such as housing, Doctor

Name	Location	Date	Comment
			and dentist appointments, high traffic volume, school places, etc etc. If the government keep letting more people in the country with a housing shortage, then they should think about building new towns to deal with it.
Stephen Cumber	Walthamstow, England, UK	2018-01-10	The area is at risk of over crowding, over development and there are already insufficient resources and infrastructure. This has been reduced with less buses etc. already. The best option is a new town further out in Essex.
Colin Tayler	Loughton, England, UK	2018-01-10	It's important to keep green spaces in built up areas
John Berry	Ashington, England, UK	2018-01-10	Green Community Space must be preserved not lost to more concrete.
Doghouse Reilly	London, England, UK	2018-01-10	I think the site should stay green
mark o'neill	Caerphilly, Wales; Cymru, UK	2018-01-10	Keep the green spaces available for the next and current generations. There are plenty of brown field sites that are available to be built on.
Patrick Cann	Loughton, England, UK	2018-01-10	It's what makes the estate attractive, the open spaces, and as stated, ALL amenities in the area are under served in terms of support or infrastructure.
mehmet akcil	loughton, England, UK	2018-01-10	No to any development in Jessel Green.
Sadaan Saleem	Loughton, England, UK	2018-01-10	I grew up there
Russ Hogg	Waltham Cross, England, UK	2018-01-10	Epping forest council always treated debden estate appallingly .....no lessons learned from concrete jungles in London every thing merging into one is not the answer
sally gooding	Loughton, England, UK	2018-01-10	We need outdoor space for the children
Frank Hackett	London, England, UK	2018-01-10	Keep green spaces for our future generation
Kevin faulkner	Harlow, England, UK	2018-01-10	I agree with the petitioner
diana page	loughton, UK	2018-01-10	I am passionate about keeping this open space . Why take away something that works and benefits the community . There must be an alternative space elsewhere .
Mark Thorpe	London, England, UK	2018-01-10	Lets build in theydoin Bois. Can't think why they wouldn't build there
Leanne Martinez	Great yarmouth, England, UK	2018-01-10	Remembering my time there as a child x

Name	Location	Date	Comment
Kerry Greenfield	Chigwell, England, UK	2018-01-10	Played there as a child.
vinay byrne-ingle	Loughton, England, UK	2018-01-10	I am sick of green spaces being used for housing There are plenty of brown field sites that could be used
Teresa Cullen	London, UK	2018-01-10	It is time that the powers that be listen to the public
Danny Jenner	London, England, UK	2018-01-10	I've lived in Loughton all my life and it is already unrecognisable we need to stop spoiling it for everyone. It is not a big town so stop trying to be.
Pauline Hatch	Loughton, England, UK	2018-01-10	This is our village green with the best 360 degree view and much loved open space for the past 37 years. They have built on other open spaces over the years but this is one we treasure. Help us to fight this heartless decision by people who don't live here and only protect their own selfish interests. Once gone it's gone forever.
Glenn Ovel	Chelmsford, England, UK	2018-01-10	I grew up playing on this field and have had many great memories on here. Let's protect this green space so future generations can also have this area to play and make new memories with their families
Crystal Storan	Loughton, England, UK	2018-01-10	Green space should be preserved
Lisa Bennett	London, UK	2018-01-10	I grew up living on Jessel drive and this was our local playing area in all weathers from picnics to sledging my mum and dad still live there and to see open space and greenery each day is amazing and benefits our community young and old
victoria fordham	Exning, England, UK	2018-01-10	There's not enough green spaces in this world!
Mark Skeggs	Loughton, England, UK	2018-01-10	I want to keep green spaces in Loughton & are sick of our useless local council who don't listen!
Danielle Squire	Cambridgeshire, England, UK	2018-01-10	I have spent many years as a child playing there whilst at my grandparents house xxx it should be kept for the same purpose it was originally intended for recreational use
Nicola baker	Loughton, England, UK	2018-01-10	I use this green every day and we cannot afford as a community to lose it!
Manuela Moran	Ilford, UK	2018-01-10	Our park lands are the lungs of our community.
Jacqueline Wheeler	Bexley, England, UK	2018-01-11	Shocking that this is even considered for building on. Think about the local communities that have always used this space!
Annie Watson	Woodford Green, UK	2018-01-11	This is a vital green space for everyone in Loughton.

Name	Location	Date	Comment
Sarah Ganczarski	Knutsford, England, UK	2018-01-11	Green open space is important everywhere
Christopher Somers	London, England, UK	2018-01-11	This is not an "unused" space. It is used by kids playing football, kids on bike, people walking their dogs etc. A bit of green in a fairly developed area. Plenty of space around some of the more expensive towns/villages in the area, but for some reason you aren't building there. You would build on the lovely green in Theydon Bois, would you.
Simone Perry	Loughton, England, UK	2018-01-11	Because I use Jessel green most days to run and it is a beautiful green area and it will so sad for the area to loose this stunning green area that people of all ages use
Mark Speller	Loughton, England, UK	2018-01-11	Vital to keep green space and encourage people of all ages to get out there and enjoy the landscape and area. In a few years time they will be moaning about the lack of green space and won't know how to tackle it, just like all then years ago when they knocked down schools, and then had to rebuild new ones at a later date as they couldn't cope with demand
james gunther	loughton, England, UK	2018-01-11	The area can't support this many homes being built on this space. My friend who lives 50 metres from Willingale Primary had trouble getting her child into the school as there wasn't enough space. They were told they would have to go to Waltham Abbey! every day which will further increase congestion on these already busy (and unrepaired / potholed) roads.
Sue Barton	London, UK	2018-01-11	I live in Loughton and it should stay green
Lynne Levy	Woodford, England, UK	2018-01-11	Because I believe in the cayse and the future
Justin Lindop	Manchester, England, UK	2018-01-11	clearly they haven't been on the high road or round debden between 4-7pm, or anytime on a saturday!!
Jamie Brown	Loughton, England, UK	2018-01-11	It's always been a family area! Stop trying to turn it in to Romford or Harlow!
Amanda Hoffman	Borehamwood, England, UK	2018-01-11	Amanda hoffman
Jessica East	UK	2018-01-11	The houses/flat being built will not to go local people and the green is where many children play and one of the few greens left to play on
Paul Pert	London, England, UK	2018-01-11	This is a precious, green recreational space for local people! There is no infrastructure in place for these developments in this area.
Lauren Scales	UAE, United Arab Emirates	2018-01-11	Save, save, save!! Many childhoods spent on this green!!

Name	Location	Date	Comment
Jan Bartlett	Chatham, UK	2018-01-11	I lived in Debden for 40 years and I want Jessel Green to stay as it us
John Jones	Loughton, England, UK	2018-01-11	This area needs its green space kept intact for future generations
Cristina Mottes	Loughton, England, UK	2018-01-11	We want to keep our green spaces
Laura Keane	New Malden, England, UK	2018-01-11	Great cause
Natalie Kendall	New Southgate, England, UK	2018-01-12	Come on everyone we can do it every where I look there's just building sites every where all the land we have left is that field and davanant it's fck Debden not London
Nicole Tregarthen	Tecom, Australia	2018-01-12	It's a good cause!!
Julie Tregarthen	Australia	2018-01-12	Green space means sanity. We must not destroy it or we will have more mental health issues. Members of the community need a green and peaceful place to be.
Ellena Emmanuel	Forest Gate, England, UK	2018-01-12	The way this has been pushed through is very dodgy.
Bobbie Howard	Romford, UK	2018-01-12	I have lived here for 65 years after moving from Hackney at the age of 5 and have many happy memories as a kid building camps and having picnics on this wonderful green space. We need to keep our pockets of precious spaces, otherwise we will become a concrete jungle, and future generations will have nowhere to play.
Stephen Macdonald	London, UK	2018-01-12	Some serious brown paper bags have gone back & forth on this. I smell a big dollop of corruption.
Rebecca Moran	Thetford, England, UK	2018-01-12	I believe that Jessel Green is an important community space.

We've had many fun days playing on the green, playing at the park and on scarce snow days, sledging down the hill with many of our school friends. The Summer Fun day is so special too and a great day for the local community to get together. My kids would be absolutely devastated if this space was developed and built on. Please hear our pleas..
Pat stevens	UK	2018-01-12	My daughter and her young family live here and it is a lovely area, brilliant places for kids to play which is very hard to find. We have been to fetes and open days over there and it has always been a fun day,amazing for the community to get together and it would be such a shame to take this space away from the locals. My Grandson often plays over there with his Dad just running about which is what we want our children to do, plenty of exercise, there are people keeping fit over there and the snow recently brought out the local people in force all enjoying their local green. Surely

Name	Location	Date	Comment
			there are more areas that are less densely populated that you could build houses on, ie make a new town like has been done in the past i.e. Harlow, Milton Keynes to name a few, where you can put the infrastructure in to accommodate the people who will be living there that will need hospitals, schools, roads, shops etc instead of exhausting the ones we already have that are already being outgrown.
Angelka Cavana	UK	2018-01-12	Green spaces are really important to the health of people
terry esqulant	essex, England, UK	2018-01-12	So angry about this ...those in power do not understand the importance of green spaces for both mental and physical health ...shame on them!
peter twyford	wakes colne, England, UK	2018-01-12	Too many houses Not enough valued open Green areasToo many greedy developers
Annie Prosser	Swansea, UK	2018-01-12	The loss of a green space is a serious step backwards in this new era of greater environmental awareness.
Paula Nitu	Bucharest, Romania	2018-01-12	I have two children, this green is terrible important for them, for us, for everybody, please think twice on decisions made, this world deserves green places.
Maria Almond	Loughton, England, UK	2018-01-12	I don't want all our green space taken away! Children need some left to play!
clare lawrence	Tempsford, England, UK	2018-01-12	I know the area. Locals don't want it. Sort the housing crisis in London first.
Yoga Crow	UK	2018-01-13	If this were a community project of Epping Authorities to create a safe space for people in need or rough sleepers, I would think one more time maybe before I decide what's right. However, I know these houses will not be any different than the others which were built up around Loughton and Debden just to make rich richer and to serve just a certain profile of people who doesn't need my attention more than a gorgeous greenery in my town. The Nature serves more to the community and I am happy to sign this petition today.
Deborah Hayes	Epping, England, UK	2018-01-13	Need to keep green spaces
Cheryl Anstey	Loughton, England, UK	2018-01-13	I have lived here all my life and love the green spaces around me and want to keep it that way for my grandchildren
Billy Isaac	UK	2018-01-13	This must not go through. This green space needs to be saved..... the housing crisis should not be used as excuse to encroach on the limited remaining green space around London.
Graham Barterer	London, UK	2018-01-13	Stop putting money before community. Morons.

Name	Location	Date	Comment
phil day	London, UK	2018-01-13	Madness.....in the news every day about environmental issues and obesity crisis yet destroying a green space used for recreation...
Sam Dempsey	Loughton, England, UK	2018-01-13	Very little green space left. It's a treat to walk on... Don't destroy what little is left!
Robert Kane	Loughton, England, UK	2018-01-13	There are other waist sites which should be consider for development instead of existing 'greens' which are used by the community.
Alison Hill	Loughton, Mississippi, US	2018-01-13	This land was intended for the community to use for recreation when this estate was built. It is used intensively for dog walking and for children playing and adults keeping fit. This will totally destroy our community. This land was never intended for building!
darren ainslie	bathgate, Scotland, UK	2018-01-13	My friend is involed
Paul Dunn	London, England, UK	2018-01-13	Need to save this green its an integral part of community
Christine Ball	London, UK	2018-01-13	Support my daughter in saving the lovely green where she lives
Debbie Clayden	Broxbourne, England, UK	2018-01-13	It is a vital and well used open space in the heart of a community and should remain so.
Nicola Holland	UK	2018-01-13	This green space is a hugely important to the many families in our local community, for health and physical well-being. Local children flock to this space after school and in holidays for outdoor play and socialising, all ages use it for dog-walking and other exercise. No green space = a nation of couch potatoes.
Alison Plumb	Epping Essex, England, UK	2018-01-13	To save the space for local community to have green space to enjoy and get to gether as community
Chico Kidd	Ruislip, England, UK	2018-01-13	Green spaces should be preserved
Carol mumford	Chigwell, England, UK	2018-01-13	Over urbanisation. Green spaces are essential.
Dave Norris	London, UK	2018-01-13	We are expecting 2 grand children shortly and this green should be for them along with whole community to enjoy and use for years to come
Nicolle Borg	Loughton, England, UK	2018-01-13	Debden is lovely because of it's open green spaces and by just adding new homes we just become like everywhere else meaning overcrowded in a small area with not enough amenities, doctors surgeries, transport etc. We don't have enough of these amenities now. These houses/flats will not be affordable for the younger generation who live within Debden/Loughton as shown by the recent development

Name	Location	Date	Comment
			on Debden Broadway. Please listen to those who live in the area.
Victoria Portnoy	Dagenham, England, UK	2018-01-13	We need to green spaces! I'm moving to Loughton and it's essential that we maintain some green space for the wildlife and our children
Pauline Borg	Loughton, England, UK	2018-01-13	Debden will be overcrowded if the building on Jessel Green goes ahead. The amenities will not be able to cope with a lot more people in the area. The open spaces help people with their health issues as if someone is depressed it brightens their life to be able to walk on the open green space. Save Jessel Green for all the community that already live in Debden / Loughton.
Lesley Taylor	Widmer End, England, UK	2018-01-13	This space is very important to the local community. It would be a he loss to the many people who enjoy using this space for recreation. green spaces are very important not only as a green space for people to enjoy but as a green lung around our towns and communities.
Kali smith	Loughton, England, UK	2018-01-13	I live near Jessel Green and use it every day for recreation and space to breathe. Our local area can't cope with this overdevelopment.
Gill Short	Enfield, UK	2018-01-13	Green space is important for health & wellbeing of ours & future generations. Children need safe outdoor environments to play in. Loughton's infrastructure is already under too much pressure, eg: roads, schools, Health Services over-subscribed/used. Wildlife; squirrels, birds, eg: families of grey headed woodpeckers under threat. There are other more viable areas in Epping Forest which would take pressure off roads, schools, etc in Loughton, Epping & surrounding areas. Greedy developers already canvassing to try & cash in on these issues.
Shelley Cross	Loughton, England, UK	2018-01-13	I don't want to lose valuable green space.
Dave Porter	Northolt, England, UK	2018-01-14	Green space should be preserved. Once it's gone, it's lost forever.
Liz Junor	UK	2018-01-14	I believe open spaces are important for everyone...
Trevor Henson	Woodford, England, UK	2018-01-14	Green areas are there for all to enjoy not for housing or shops or offices
Stephanie Norris	Woodford, England, UK	2018-01-14	Green spaces such as this, in my opinion, vastly improve the quality of life for people living around them. That is worth more than housing people who could be housed elsewhere.
Clare Tyler	Brighton, England, UK	2018-01-14	It is vital, and our responsibility, to protect our green and open spaces, particularly in urban areas, for not only the environment and wellbeing of current communities, but for future generations too.

Name	Location	Date	Comment
Mary Crookes	Sheffield, England, UK	2018-01-14	There are plenty of empty shops and offices.We don't need anymore,,,,
Kerry Alford	Brighton, England, UK	2018-01-14	Building new homes is so important - we can use brownfield land and derelict buildings, please protect our green spaces for our wildlife and our communities. ###
Ann Cocklin	UK	2018-01-14	Green spaces need to be protected.
Jenny Gladman	Northampton, UK	2018-01-14	Losing Jessel Green will be losing the heart of our community. Local residents will no longer have a space to gather and there will be no open space where children can play safely.
Jenny Gladman	Northampton, UK	2018-01-14	Losing Jessel Green will be losing the heart of the community. Local residents will no longer have a space to gather and children will have no open space to play safely.
John McGowan	Glasgow, Scotland, UK	2018-01-14	Any Green spaces, no matter where, must be protected.
Suzanne Booth	UK	2018-01-14	Keep green areas green
Margarita Genovesa	London, UK	2018-01-14	I want to keep the Green for the local community to use for walks and picnics at.
Deanna Sidley	London, England, UK	2018-01-14	Every bit of ggreen land is precious. Debden has had a lot of building going on in recent years and this latest proposal is not necessary. thre are plenty of brownfield sites that can be built on
Wendy Jeffrey	Loughton, England, UK	2018-01-14	We all need green spaces. They cannot just be taken away without detrimental affect on those living in and around them.
Doreen Mills	March, England, UK	2018-01-14	As a former Loughton resident losing Jessel Green could spell the end of all the green places that were integral to the plan of an open, pleasant place for people to live when the Debden Estate was first muted for Loughton. I lived and worked in the area for many years and feel it would be disastrous to build homes where none were intended.
Paulius Stucinskas	london, England, UK	2018-01-14	As the big green spaces and Epping forest lover and Loughton resident I am deeply worried about councils plans to destroy the Jessel green park.
kenny carloyon	essex, England, UK	2018-01-14	I grew up playing football on the green.. Would be a shame to see it gone.
Lindy bray	London, England, UK	2018-01-15	Respect local community wishes
veronica lavery	London, England, UK	2018-01-15	My Minded children love this field & the freedom it give's them !!!My family have lived here for nearly 30yrs and use this space everyday

Name	Location	Date	Comment
kevin lavery	London, England, UK	2018-01-15	The community needs this wonderful open space.
Lorraine freeman	Loughton, England, UK	2018-01-15	I was born opposite this green, my kids were bought up playing on this green, my life revolves around this green . This is a much needed, truly loved piece of my life.
PERRY GRIFFIN	Loughton, England, UK	2018-01-15	I have lived near Jessell Green all my life and it is an integral part of the local community. It makes you smile as you pass to see a green space that breaks up the housing. I do not want to see a monstrosity like the building on the site of the old Sir Winston Churchill pub on the top of Jessell Green
Sue Bowness	London, England, UK	2018-01-15	Think in the long term, green spaces keep people sane and out of hospital.
Charmian Berry	Woodbridge, England, UK	2018-01-15	too much countryside is disappearing never to be reclaimed again !!
Jane Holmes	Pitsford, England, UK	2018-01-15	children need green areas, communities need green areas
Sarah Calvert	Buckhurst hill, UK	2018-01-15	I grew up around this part of Loughton moving from the east end. It's rare to have so much greenery and space for kids to enjoy their freedom.
Victoria James	Loughton, England, UK	2018-01-15	I grew up playing on the big green.I lived opposite from 1977 till 2017 and now my children get to play on the green.
Rebecca Try	Halesworth, England, UK	2018-01-15	I'm signing because this is the area I grew up in and feel very passionate about keeping these green spaces, they must not be lost.
Beth Caley	Essex, England, UK	2018-01-15	It a my local area and we are already losing so much to new housing
Lorraine Howells	Woodford, England, UK	2018-01-15	Jessel Green provides community green space in this residential area
Garry Lamb	London, UK	2018-01-15	All the corrupt fuckers cashing in on something we have all loved for years, it needs to stop, they done it to the Churchill now here #
Andy Lucas	UK	2018-01-15	We need to try and utilise our brown field sites and disused buildings that could be renovated to house people first.
Julie Lintunen	bELVEDERE, England, UK	2018-01-15	We need to protect our green spaces. Once gone they are gone forever.
Debbie Staplehurst	UK	2018-01-15	There are plenty of other spaces to build on - not this gorgeous "our telly tubby hill" that my children have grown up on through rain, sleet, heavy snow and glorious Summer days and evenings - leave alone and go elsewhere, somewhere not so loved by so many!

stacey Bourne	Ilford, England, UK	2018-01-15	People must have green spaces
vivien pottle	barking, England, UK	2018-01-15	To many open spaces are disappearing
Donna Mortlock	Leigh-on-Sea, England, UK	2018-01-16	Because green spaces like these are needed for the good of the community.
Kelly Reynolds	London, England, UK	2018-01-16	We need green belt no more houses
OKTAY DEMIREL	LONDON, England, UK	2018-01-16	I work in the area and want to keep the green areas....
Mal Gladden	Loughton, England, UK	2018-01-16	Because this is beautiful open space for kids to play people meet up with their dogs to chat don't take this away and make yet another concrete jungle this area is well known for its forest and fields.
Ashley Waterhouse	UK	2018-01-16	This is a great place for social events run by the local churchs for the whole community, ideal for families to have fun all year round
Fiona Tidd	essex, England, UK	2018-01-16	This is a great community space and yo lose
Debbie Reed	Loughton, England, UK	2018-01-16	We need our green spaces and other options available
James Hatch	Southampton, England, UK	2018-01-16	I used to spend every summer on that green growing up playing with my friends.
Thomas James	Worthing, England, UK	2018-01-17	It would be a shame to ruin such a beautiful recreation ground in such a lovely area ... and it also holds a special place in my partners heart she has had some great memories and fond times here
ben soden	Stantonbury, England, UK	2018-01-17	Our island is already overpopulated. STOP destroying nature!
alison clayton	Northampton, England, UK	2018-01-17	This is an important area of green in the middle if the community. It gives space for physical, mental and spiritual well being. Covering it with crammed houses will not only be unsightly but detrimental to community life. Why take away freedom and space??
louise burgess	london, England, UK	2018-01-17	This government is ruining our green spaces with out of proportion development. Jessel green should be saved and the allocation of housing be more carefully considered. Infrastructure cannot cope and central already heavily congested and often voted worst line on tube network.
Adele Kaplan	Dagenham, England, UK	2018-01-17	Enough is enough

Name	Location	Date	Comment
Claire Sheridan	London, UK	2018-01-17	This green space is vital for the community's physical and mental health and well-being. A place for children to play and for families and friends to enjoy together.
Jade Burgess	Dagenham, England, UK	2018-01-17	i live in the area and its such a lovely place to walk with the kiddies and dogs x
Jo Roberts	auckland, New Zealand	2018-01-17	You need open spaces for children. This is a landmark. I grew up there. You must keep Jessel Green as it is for generations of children to enjoy.
annemarie turnell	loughton, England, UK	2018-01-17	Come on people help save Jessel Green, can we not keep some greenery before it all goes. Being replaced with bricks and alike, we need something to enjoy, relax and have fun on, I have run up and down that hill many a time.We need this.
Derek Hutton	London, England, UK	2018-01-17	Green space is needed
Jay Jeffery	Loughton, England, UK	2018-01-18	Living so close to Jessel Green I know how valuable it is to myself & the wider local community, indeed it is as valuable to Debden as Vicky Park is to the East End of London; thereby why would you even think to build on it??? Financial gain & self Importance (of some who should know better) - that is why. Should this aberration be allowed to take place it will set very dangerous precedents across the UK & potentially untold damage to communities who deserve better.... we deserve better:&quot;DO THE RIGHT THING&quot; - PLEASE EPPING FOREST DISTRICT COUNCIL & YOUR TORY CRONIES TAKE NOTE & TAKE JESSEL GREEN OFF OF YOUR PLAN, NOW.
Jay Jeffery	Loughton, England, UK	2018-01-18	Living so close to Jessel Green I know how valuable it is to myself & the wider local community, indeed it is as valuable to Debden as Vicky Park is to the East End of London; thereby why would you even think to build on it??? Financial gain & self Importance (of some who should know better) - that is why. Ian Lawrence	Chigwell, England, UK	2018-01-18	Stop taking away our local green areas. Where are our kids supposed to play. Doesn't matter when it doesn't affect you does it, sitting in your ivory towers !!!
Steph Maunders	Romford, England, UK	2018-01-18	I grew up in the area and the field is a big part of it x
Julia stone	Bridgetown, Barbados	2018-01-19	This is my granddaughter's future playing fields... We need more outdoor space for our children.

Name	Location	Date	Comment
David Flynn	Haverhill Suffolk, England, UK	2018-01-19	I'm sick of the destruction of the green spaces in this country . Sorry but there is no need for more housing in this area. Go away and leave it alone. I'm sick and tired of new developments being built on every bit of green space available.
Joanne Clark	Sheffield, England, UK	2018-01-19	This is a much needed and well-used green space for the local community.
Vivien Day	Ruislip, UK	2018-01-19	A community green space at the heart of OUR community not yours. Find it in your hearts to rethink this hideous plan. Our community is in your hands don't let us down. Thank you
Steph Maunders	Romford, England, UK	2018-01-19	I grew up here and in the summer it's always buzzing and when it snows it buzzes. Taking away this green to put buildings on will destroy the community.
Lesley Boyle	Derby, England, UK	2018-01-19	We send a lot of time over here in the summer. Always seeing people we know, children playing. Great space. Can't believe they want to take it away.
Ben Gilbey	Loughton, England, UK	2018-01-19	This is an outrage and travesty to local people! We DO NOT want to be like inner London! Leave our green spaces alone! Moron councillors need to think about infrastructure before this stupid ideas happen!
Dylan flynn	loughton, England, UK	2018-01-19	Stop destroying our green lands
Debbie Galley	Belvedere, England, UK	2018-01-19	Stop destroying our open spaces , we are over crowded already no room for all these homes,
Amanda Wilkins	Loughton, England, UK	2018-01-19	You honestly think this is the right thing to do in the area ????Really !!! the green is paramount to our community , everyday being used as it should be ! kids playing out in the fresh air safely ! Dogs being walked, people exercising! It's a social thing our community! A beautiful area they want to destroy # Not even giving a thoughtTo the surrounding area !!! Doctors, schools travel all in the area struggling now ! Can you imagine how much more of an impact this will have ! Really EFDC you will ruin this area and all the other GREEN spaces you think it's acceptable to build on
Joanne Gibbs	Loughton, England, UK	2018-01-19	I am a local resident. We moved to Loughton because of all the open spaces. My boys love visiting the green and running/rolling/sleighing down the hill.
lisa pearson	Loughton, England, UK	2018-01-19	Too much concrete everywhere we also need to protect our greens too
KIM MEAD	ESSEX, England, UK	2018-01-20	This area is used frequently by family and friends. Hot air balloons have landed here as well as helicopters when needed, where would they be able to do this in an emergency? The area is enjoyed by all ages.

Name	Location	Date	Comment
Jean Lymer	Southwater, England, UK	2018-01-20	I lived in the area and am aware that the precious space of Jessel Green must be protected from development.
susan adams	essex, England, UK	2018-01-20	I don't want houses built on green land
Jane Gregory	Hamilton, New Zealand	2018-01-20	This green space is an important part of maintaining the community balance between housing and green space
lynsey hall	Felixstowe, England, UK	2018-01-20	This space is important to the community and in bringing people together. It is more beneficial as a green space than as a housing development. Building here would crush the community spirit. Happy spaces make happy lives. Leave the green alone.
Emma Lewis	Loughton, England, UK	2018-01-20	The Green is well used by the local community and it would be wrong to dismantle that to line others pockets!!! These plans will not benefit the community what so ever! Our green spaces are vital to the community and to the environment! Too build on them would be a mistake and a dis-service to the people that live here.
Fiona Bishop	Brafield-on-the-Green, England, UK	2018-01-20	We need community green spaces for our children and grandchildren and great grandchildren to enjoy, once it's gone it'll never be replaced
Rick Ruscoe	London, UK	2018-01-20	We need to keep our green spaces green. Children, dog walkers, etc need green areas for recreation , not more houses to put further strain on local resources
Riche Silverman	Loughton, England, UK	2018-01-20	We need our green space and places to take kids and pets close to home community spaces to socialise communities are breaking down and crime rises because of this we need community spaces .
Sally Chittock	Buckhurst Hill, England, UK	2018-01-21	There are not enough Doctors, schools or a&e to cope with more homes being built
Victoria Want	London, England, UK	2018-01-21	This was my childhood.. How will children enjoy a snow day without this green..it's the heart of the community.
David Linnell	Loughton, England, UK	2018-01-21	In including part of this site for development, the Council have failed to respect other provisions of the Plan regarding public urban open spaces, and this area is highly valued by residents
Peter Callomon	Woodford, England, UK	2018-01-21	redevelopment of green belt is just an irreversible nonsense
Marc Appleton	Australia	2018-01-21	i have read Regulation 19 and find it compelling and needs to be adhered to.
Monica Neim	Pickering, Canada	2018-01-21	People need their green spaces. Green spaces promote mental and physical health.

Name	Location	Date	Comment
sue ball	Loughton, England, UK	2018-01-21	We must save this green space for future generations
Sharon Turner	Southend, England, UK	2018-01-21	My dad was bought up in Epping. Its nice to save any greenland we have in the county
Claire Campbell	UK	2018-01-21	Words cannot describe how angry I am
Lizzie Gale	Manchester, England, UK	2018-01-21	Green spaces are so important for the well being of the community.
Joanne white	Australia	2018-01-21	Jessel green is the play park for most if Debdens children and a local ski resort when it snows in the winter. A great outdoor meeting place
Katrina Tiernan	Essex, England, UK	2018-01-22	My son attends debden park high school (rated an outstanding school), i hope my middle child will too when old enough. However, with the number of children to come from the proposed 145 houses it is highly likely that this would impact negatively on this happening. I.e. the nearest children prioritised and so the catchment area gets pushed. Also, there are already enough vehicles on the road and lack of free parking. Keep debden green, keep jessel green.
Denise Shields	Loughton, England, UK	2018-01-22	Jessel Green must be saved. It is the lungs of the community. So many people use it and it provides a huge positive impact. It is so rare to have green space, why must there always be a need to build? The green helps bring the community together and it must be protected.
John Stoneham	Loughton, England, UK	2018-01-22	As a family we use Jessel green to exercise our dog almost every day sometimes multiple times a day we picnic there in the walm weather and the children can play with out fear of them being hit by cars etc, the councils decision to build on this plot is a tragic mistake, the damage to the wider community from the loss of this piece of land is immeasurable
Nadiya Pavliv	London, England, UK	2018-01-22	The play is part of neighbourhood recreational ground, well used over the years.
Lucy Denmark	Woodford, England, UK	2018-01-22	This attempt at cheating the residents of Debdeb housing estate out of a green area is a disgrace. This area must have been a big plus when residents decided to buy a home there, indeed I understand it was part of the plans when the estate was originally planned. What makes the council think they can just build over this? Where will children play, run, and play football? Where will dogs get walked or picnics be taken. The sledging when it snows?The area has been known to have springs and drainage / flooding can be an issue. Surely have a green such as this help with water soakage and drainage. This surely has an impact on the local environment?How depressing to have even more concrete. Debden is so close to 'green space' and rolling fields in Chigwell, Theydon Bois and beyond why take is very precious resource. So little in life is free . To deprive

Name	Location	Date	Comment
			these residents of this would be cruel and wicked. I guess there must be plenty of pupil spaces in the local school and enough GP resources, parking etc.????Once
Wendy MacKenzie	Briercliffe, England, UK	2018-01-22	Monstrous idea! I grew up in this area and it's few remaining green spaces MUST be protected!
Mark Davis	london, England, UK	2018-01-22	Green space need to be saved
charlene carroll	loughton, England, UK	2018-01-23	We need this space. It's a lovely area of green for the family to enjoy
Ginette Makepeace Awosunle	Loughton, England, UK	2018-01-23	We need to keep our green spaces for quality of life and to prevent further congestion on the public transport system, especially the Central Line. Huge numbers of kids filling the local buses is dreadful.
Danny Clarke	Loughton, England, UK	2018-01-24	I reside in the area & feel Jessel Green should be kept as a public space for my family to go for a nice walk & enjoy the scenery.
David Jones	Glossop, England, UK	2018-01-24	Green spaces are essential for wellbeing.
Jan Campling	Loughton, England, UK	2018-01-24	My family have lived and played here for 50 Years. My husband grew up here and we moved into our house 22 years ago so that our kids could grow up near this lovely space. They now want the same for their kids
Michael Radley	Hornchurch, England, UK	2018-01-24	This is where I grew up & spent my time as a child playing & having fun. I want it to be saved so it can be enjoyed by my nephews & generations to come. This is one of only a few large green open spaces in Debden. Keep your hands off our green spaces!
wayne perkins	london, England, UK	2018-01-24	Green spaces are being eroded all over London. Some things are not for sale. This is not an 'asset' to be sold to the highest bidder, it is an asset (in the sense that it improves the lives of local residents).
Gwen Mendis	London, UK	2018-01-24	To pass Jessel green on the bus to my voluntary job on Debden Broadway is like passing an oasis in the desert.....GREEN, WELL CARED FOR.,FRESH AIR AND A LOVELY PLACE FOR ALL..let lift s my spirits to see the Debden village green.....resident of efdc for 47 years!
Eileen Herbert	Loughton, England, UK	2018-01-24	There are so many reasons aside from the fact this is a much loved and well used green space. Our hospitals and doctor's surgeries are already struggling. There are not enough school places and parking is a nightmare. Please God common sense prevails.
Eileen Herbert	Loughton, England, UK	2018-01-24	There are so many reasons aside from the fact this is a much loved and well used green space. Our hospitals and doctor's surgeries are already struggling. There are not

			enough school places and parking is a nightmare. Please God common sense prevails.
Stephen Dwyer	London, England, UK	2018-01-24	This is open family space and should be respected.
Jimmy Burton	London, England, UK	2018-01-25	Theres not enough parks and greenery in and around London
amanda theodorou	epping, England, UK	2018-01-25	We need to safeguard our green spaces for future generations and current infrastructure in the local area cannot support constantly increasing pressure, especially the demand for school places.
Dave Plummer	Essex, England, UK	2018-01-25	We need more housing but we need green spaces too. Jessel Green is well used, and loved, by the community.It needs to be saved.
carina powney	Waltham Abbey, England, UK	2018-01-25	Has anyone considered the wildlife and the impact on them? Have they even got a voice?
Robin Pettitt	Loughton, England, UK	2018-01-25	Jessel Green is a much loved and heavily used green space. Losing it would be a grievous blow for all local residents.
Brenton Wait	Loughton, England, UK	2018-01-26	Not only does this green space have incredible value in terms of it's recreational uses and enhancement of wellbeing, increasing housing density in this manner is unsustainable and has been inadequately supported in terms of schools, services and transport links. This development meets the immediate demand for housing in an inequitable way, that will impact quality of life on the estate for generations.
Ken Newton	London, UK	2018-01-26	When this estate was developed after WW2 it was a condition that a number of open spaces were created and I believe should remain. There are many other areas of land some green belt that could be used.
Rachel Bartels	Loughton, England, UK	2018-01-26	Debden does not need more housing, it needs green spaces. Our children need a place to play.
Fergus Keating	Loughton, England, UK	2018-01-26	I value our green community spaces
Jan Jeffery	Loughton, England, UK	2018-01-26	This is a much loved green.....a village green for us...The community has tried for several years to get village green status. We have fetes yearly on it...it is used by bootcamps for exercising...used for get togethers by young mum's...dog walkers meet up. Besides that it has beautiful views...if having a down day or more extreme mental health problems it is a great free remedy. Without this green the local community will suffer greatly. Instead of lets have a walk on our beautiful Jessel Green it would be lets walk around the streets!

Name	Location	Date	Comment
Marian morris	Loughton, England, UK	2018-01-26	Green spaces for people to walk and children too play on should be saved and protected
Steve Williams	Plymouth, England, UK	2018-01-26	We need green areas like this for our children to play on.
John Coghill	Hornchurch, England, UK	2018-01-26	Moved to Jessel Drive in the early 1960s from Hackney and Debden was heaven compared to London. Went to Fairmead School, with acres of green land, but the school was demolished and all the land built on. Also, the school playing fields, behind Pyrles Lane shops was lost and housing built there which now looks very dated - will this be the same future for Jessel Green?
Julia Bryant	Loughton, England, UK	2018-01-26	I moved to this area because of the green areas, we use this green daily and are devastated at the thought of houses being built on it.
