### REPRESENTATION

**To which part of the Pre Submission Epping Forest District Local Plan does this representation relate?**

Paragraph: Building on Jessel Green

Policy: None of the above

Policies Map:

Site Reference: ONG.R5

Settlement: Loughton

**Do you consider this part of the Pre Submission Local Plan to be:**

Legally compliant: No

Sound: No

If no, then which of the soundness test(s) does it fail? Positively prepared

Complies with the duty to co-operate? Don't Know

**Please give details either of why you consider the Submission Version of the Local Plan is not legally compliant, is unsound or fails to comply with the duty to co-operate; or of why the Submission Version of the Local Plan is legally compliant, is sound or complies with the duty to co-operate. Please be as precise as possible. Please use this box to set out your comments.**

We do not have the facilities or infrastructure to deal with all the extra housing that you are forcing on DEBDEN. Schools are bursting, Drs are full. Roads are rammed. That's not including the chaos of the actual building - how will children even GET to school?

Green space is needed for mental and physical health. Jessel Green is the heart of the community. It brings people together for Fun Days, Dog Walks, Kids Play, Boot Camp - the list goes on.

We are horrified to see what you are proposing.

**Please set out what change(s) you consider necessary to make the Pre Submission Local Plan legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/ Consistent with National Policy) where this relates to soundness. You will need to say why this change will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

I would like to see Jessel Green completely removed from the local plan regarding building housing.

Leave our community hub alone!

**If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?**

No, I do not wish to participate at oral examination

**If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:**

**Please let us know if you wish to be notified when the Epping Forest District Local Plan is submitted for independent examination**

Yes
