### Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 1:

Too many houses and development has been set aside for North Weald and in my opinion will have a detrimental affect on the villiage feel of North Weald. No consideration has been given for the increased congestion on the roads. The local infrastructure has not been mentioned,transport links both train and bus, local schools and hospitals all need to be improved in line with any building plans for the area

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Disagree

Please explain your choice in Question 2:

North Weald borders on Epping Forest, farm lands and open spaces any changes to the local area will only be to the detriment of the local environment

3. Do you agree with the proposals for development around Harlow?

Disagree

Please explain your choice in Question 3:

I do not live in Harlow but appreciate that any development in the area will only have a knock on effect to other local areas
