Survey Response:

1. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 1:

When I moved here with my family it was to get away from the congestion of London and live my life in a quieter village, and see the open green spaces and fields around me not buildings and cars. Nazing will end up just another part of London soon if this building continues and our greenbelt areas will be lost for good.

2. Do you agree with the overall vision that the Draft Plan sets out for Epping Forest District?

Strongly disagree

Please explain your choice in Question 2:

I feel that development and housing should be concentrated around bigger towns and cities not rural countryside

3. Do you agree with the proposals for development around Harlow?

Strongly disagree

Please explain your choice in Question 3:

No because this will be the excuse needed by local councils to then encroach on greenbelt land

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.

My concern is that village and country life will be affected adversely - wildlife will be lost, our roads congested and dangerous, greenbelt land lost forever, loss of our villages and smaller communities.
