Dear Sir/Madam,

Land south of Vicarage Lane West, North Weald

I object to the any proposals for residential development because of :

1. The light pollution it will cause
2. More traffic Pollution
3. More traffic Congestion
4. The strain on our already strained resources
5. The impact on the wildlife in the area

I do believe we need more housing but we have restricted capacity on our current facilities and need to focus on either improving these first or delivering mixed-use schemes which add new facilities to our town.

Many Thanks,
