5. Do you agree with the proposals for new employment development?

Disagree

Please explain your choice in Question 5:

New employment sites around West Hatch is an idiotic choice. Footfall is non-existent, so only non-retail business would be appropriate. And any non-retail business is very unlikely to want to be situated near a school with the normally associated issues such as graffiti and vandalism are so very close.

Chigwell (Draft Policy P 7)

No

Please provide reasons for your view on North Weald Bassett:

The use of the convent field for housing is appalling. It will ruin the aesthetic of the existing building if it is not indeed pulled down itself. It is also home to a pair of tawny owls who return each spring, and it would be a great shame to remove their potential breeding territory.

Coopersale, Fyfield, High Ongar, Lower Sheering, Moreton, Sewardstonbury, Sheering, Stapleford Abbots (Draft Policy P 12)

No

Please provide reasons for your view on Coopersale, Fyfield, High Ongar, Lower Sheering, Moreton, Sewardstonbury, Sheering, Stapleford Abbots:

It is inappropriate to house travellers in Moreton when this site could be better used for affordable housing for young people living in the area, who at present have very few options locally to find affordable housing.

7. Do you agree with the approach to infrastructure provision being proposed in the plan?

Strongly disagree

Please explain your choice in Question 7:

As usual, no actual planning has gone into this critical area. Merely platitudes that it will be taken into account when development work is being done in an area.

8. An Interim Sustainability Appraisal has been commissioned to support the Draft Local Plan. We would welcome any comments you may have on this.
