Theydon Bois (Draft Policy P 8)

No

Please provide reasons for your view on Theydon Bois:

We moved to the village for that very reason: it was a village in which we could bring up children. The village is currently under-resourced for police services and there is already what appears to be an influx in crime. Traffic and parking for the station are a major problem and safety concern. There is not the capacity or infrastructure to grow the village further. I used to commute to London. By 6:30am I was lucky to get a seat.

Green belt should be sacred. Continually growing villages in to towns will remove the very essence of what it is to live in Epping Forest.
