### REPRESENTATION

**To which Main Modification number and/or supporting document of the Local Plan does your representation relate to?**

MM no: 37

Supporting document reference: A. Council's response to Actions outlined in Inspector's post examination hearing advice (Examination document reference number ED98), July 2021 (ED133)

**Do you consider this Main Modification and/or supporting document of the Local Plan to be:**

Legally compliant: No

Sound: No

If no, then which of the soundness test(s) does it fail? Effective, Justified

**Please give details of why you consider the Main Modification and/or supporting document is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the legal compliance, soundness of the Local Plan or compliance with the duty to co-operate, please also use this box to set out your comments.**

MM37 supporting text to policy E3 (page 68), The amended paragraph 3.61 mentions the Lea Valley Food Task Force and its recommendations.

This text is not effective or justified as the Lea Valley Food Task Force has not existed for several years and it is therefore irrelevant to include their recommendation as a non-existent entity cannot influence an outcome.

**Please set out what change(s) you consider necessary to make the Main Modification and/or supporting document legally compliant or sound, having regard to the test you have identified in the question above (Positively prepared/Justified/Effective/Consistent with national policy) where this relates to soundness. You will need to say why this change will make the Submission Version of the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

The complete text referencing the Lea Valley Food Task Force in paragraph 3.61 should therefore be removed.
